- Past question papers in all subjects is discussed by the subject teacher. Question banks are also given to the students.
- Guest lectures are conducted by departments in the respective subjects. Ex-students and external faculty are invited to share experience/deliver lectures.
- Orientation is given to the students in the beginning of each semester by the respective subject teachers on the pattern of examination (ISA and SEE).
- All staffrooms are provided with internet connectivity and Wi-Fi facility. This has enabled the faculty to conveniently prepare for the lectures.
- Updated computer laboratories with latest software have also enhanced teaching learning

process.

- Pre course test conducted in the beginning of the academic year for the First Year BA and BCOM students have helped the teachers to assess the knowledge in their respective subjects. This has helped the faculty to prepare their teaching module as per the level of the understanding of students in each subject.
- Tests and Assignments of various forms such as case studies, role plays, group discussions, model making, oral and written quizzes, power point presentations, mini-projects, multimedia presentations (documentary, short videos) etc. are conducted.
- Remedial classes by the respective subject teachers are conducted for weaker students, slow learners, absentees etc. The classes are conducted as per the schedule or on need basis.
- Educational trips, field trips, industrial visits, excursions etc. are arranged to enhance the practical knowledge of the respective subjects for the students.
- Newspapers are provided in each classroom to instil reading habits among students and to be aware of current news happening all over the world. It has also helped the teachers to discuss the news reports in their respective subjects and related areas.
- SMS are sent to the students regarding attendance, college events, placement opportunities, special/extra classes, recruitment drives etc.
- Career oriented (Tally, DTP), credit-based (Library services), certificate courses (Computer Hardware, Library and Information Science) are conducted to provide additional skills to the students to gain employability.
- Initiatives are taken to provide internship programmes for students with the industries, commercial institutions etc. to gain hands on experience.
- Organised seminars, workshops, guest lectures for faculty and students. The faculty have

also accompanied the student to participate in workshops/seminars organised by other institution. This has helped the students to gain additional knowledge in their respective subjects.

- Faculty Development Programme on various topics such as team building, teaching skills etc., is conducted per semester academic year.

2.7 Total No. of actual teaching days during this academic year: 180 days

2.8 Examination/ Evaluation Reforms initiated by the Institution (for example: Open Book Examination, Bar Coding, Double Valuation, Photocopy, Online Multiple Choice Questions)

- Examination and evaluation process carried out as per the guidelines of Goa University.
- As and when reforms are introduced in examination and evaluation process, the same is initiated in the college.
- Exam process is computerised and has customised software that allows the marks to be entered for the current student and students with backlogs, generate mark sheets for the first and second year students etc.
- Apart from the university examination reforms, the college has established an examination committee for the smooth conduct of the regular/supplementary exams.
- The college follows the continuous evaluation system as per the rules prescribed by the Goa University. The evaluation process is divided as intra semester evaluation and end semester evaluation. Internal evaluations are conducted subject wise by respective departments and SEE exams are conducted as per the schedule given by the Goa University.
- Some reforms carried for internal assessment and end semester assessment for First year and second year of all streams are:

- Internal evaluation for ISA in the form of multiple choice questions, short answers questions, long answers questions, presentations, assignments etc.
- Photocopy facility available for students to photocopy questions papers of end semester exams.
- Computerised entry of marks and generation of the results.
- In cases where the students have grievances with respect to the marks scored in subjects, re-evaluation and verification is carried out as per the rules of the Goa University. 7.3 Give two Best Practices of the institution

Prayer Service:

Objective:

- To build religious tolerance.
 - To respect the other religion and its belief.
 - To build a healthy relationship among staff and students.
-
- Every morning, all staff members gather in the prayer room. Two staff members are assigned week wise to organise and conduct the prayer service. Each staff member has the flexibility in designing the execution of prayer service., it includes a moral value (wherein the reflection is represented with the help of stories, poems, audio pieces etc.), prayer for students, staff, birthday wishes etc.
 - Prayer is also conducted in class for 5 minutes during the first lecture by the respective subject teacher.
 - It is a hallmark of our college to begin every event with a prayer service. For the prayer services, quotations/reading is taken from different religious books, audio visual presentations which reflect a message of a theme.
 - Value education and Inter-faith cell conducts various competitions, field trips, talks etc. which promotes communal harmony.

Appreciation Awards:**Objective:**

- To boost the morale of students for their hard work.
- To encourage the students to continue in participating in various activities.
