Nos.								Level	

(ii) Themes:

- A Faculty Development Programme was held on 19th July 2014 for Teaching Staff on the topic “Find God in Service”.
- The Research And Development Cell organised a Two Day Workshop for the teaching faculty on “SPSS” on 23rd and 24th March 2015.
- The Commerce Departmentorganised a One Day State level Seminar on “Companies Act 2013: Opportunities and Challenges” on 30th March 2015.

2.14 Significant Activities and contributions made by IQAC:

- Conducted student’s feedback on respective subject teachers at the end of the academic year. After scrutiny and tabulation, the principal have appraised the teacher to adopt corrective measures.
- Encouraged faculty to participate and present papers in seminars/workshops/programmes/refresher courses/orientation programmes in order to get exposure to the new developments in their respective fields.
- Have reached out to the socially and economically challenged students to a greater extent through various scholarships, financial aid and other welfare schemes for pursuing/ bringing them into the stream of higher education.
- Collated reports of the various activities conducted by departments, committees, cells, associations, units etc. for the respective academic year.
- Along with the regular course, the students are also provided with Career Oriented, Certificate Courses, Certification Courses and Credit Based Programme such as Desktop Publishing, Tally, Office Automation, Library Services, Computer Garage (Computer Maintenance and Repairs) which would help them to increase their employability skills.
- Training given to students for competitive exams such Civil Services, Banking etc.
- Upgraded infrastructure in Classrooms, Computer Laboratories, Library, Physical Education Department, Administrative Office etc.
- Counselling for students was carried by a professional counsellor. In addition to this the principal, administrator and class mentors also counselled students on need basis.
- Encouraged faculty members to publish research papers in refereed/peer reviewed journals.
- Encouraged faculty members to pursue PhD and register for PhD.

- Remedial Classes was conducted by subject teachers or slow learners, weak students, absentees and for students who had difficulties in understanding certain topics.
- Conducted faculty development programmes for administrative staff and teaching faculty.
- The departments/committees organised seminars, workshops, and activities for staff, students and community.
- The college has a SMS facility that informs the parents and students of the various activities, events, extra classes, monthly attendance details of each student, campus interviews etc.
- Departmental meetings were conducted in each semester to assess the performance of students and functioning of the department and formulate plans for the next semester/academic year.

2.15 Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year *

IQAC being the advisory body, it facilitates, coordinates activities and guides all departments, committees, associations in disseminating activities that are aimed at enhancing and sustaining quality culture in our institution. Apart from the activities and events planned and executed by the IQAC, it also encourages each and every department, committee and associations to plan and execute activities for each academic year. The plan of activities and the outcomes are as follows:

Note: Details on activities conducted related to the plans, kindly refer to the Action Taken report in 7.2

Sr. No.	Plan of Action	Outcomes Achieved
1	Enhancing Teaching Learning	
	a. To make available the detailed lesson plans to students in the Library and through Learning Management System – Moodle.	• This has helped the students to get an overview of the subject and to know the portion covered in each week.
	b. To counter check the execution of lesson plans.	• This has helped the teachers and students to track the portion covered. • It also helps the teachers to complete the entire syllabus on time.
	c. To adopt ICT for teaching learning process. d. To upgrade the library facilities in terms of reference books, text books, journals etc. e. To encourage teachers to use innovative teaching methods such as model making, concept maps, role plays etc. f. To organise field trips, study tours, excursions, industry visits etc. for students g. To conduct guest lectures, interaction with eminent personalities etc.	• This helped the teacher to make the lecture informative and interesting. • This has enabled the teachers to update the knowledge in the relevant area. • It has promoted student centric learning. • It has motivated the student's to develop independent learning. • The students have enhanced their knowledge in the respective subject. • It has also enriched the students to acquire knowledge beyond the given syllabus.

	h. To provide additional references, study materials, notes to students through Moodle, emails, photocopies etc.	• This has helped the advance learners to make their own notes. • It has also helped the students to avail the study materials/notes to prepare for their exams.
	i. To collect the feedback of subject teachers	• It has helped the teachers to improve on their drawbacks in teaching and thereby has enabled effective teaching learning process.
	j. To conduct remedial classes for weak students, absentees (due to medical reasons, co-circular activities etc.)	• This has helped the weak students to perform better. • It also helped the absentees to cover the portion that was missed during their absence.
2	Infrastructure	
	a. To extend the provision of LCD projectors and screens in the remaining classrooms and laboratories. b. To increase in the number of benches in existing classrooms. c. To establish the Language Lab. d. To increase/upgrade computers and its related peripherals in laboratories/office/staff rooms e. To upgrade the software's in laboratories/office. f. To increase the bandwidth for internet	• This has equipped the staff and students with the latest technology which has enhanced the teaching learning process. • This has helped the teachers to make the lectures more informative. • The teachers are able to prepare for lectures more conveniently and effectively.

	connectivity. g. To increase the photocopying machines (include coloured). h. To upgrade the library software and updation of e-resources.	• It has helped students to develop on soft skills. • It has also equipped students in using ICT facilities and motivates independent learning. • This has created a conducive environment for effective teaching learning process.
	i. To have an in-house stationary unit in the computer laboratories for items such as project paper, CD, DVD etc.	• It has helped the students to make avail of certain stationary items like CD, DVD, project paper, printouts, photocopies etc. at subsidized rates
	j. To install CCTV and surveillance devices at the prominent locations	• This has provided a secured environment for staff and students.
	k. To have a separate in-house stationary centre such as project paper, CD, DVD etc.	• It has helped the students to make avail of certain stationary items like CD, DVD, project paper, printouts, photocopies etc. at subsidized rates
3	Evaluation Mechanism	
	a. To conduct orientation for students on the pattern of examination and evaluation process.	• This helped the students to be aware examination pattern and to plan their study preparation for exams.

	b. To conduct Pre-course test for First Year students.	• The Pre-course test has helped the teachers in assessing the student's knowledge in the given subject. • It has also helped the teacher to plan the teaching module according to the knowledge of the students in the respective subjects.
	c. To conduct the orientation for Third Year students in writing research projects.	• It has helped the students to carry out their research work and submit the project report as per the guidelines laid by the Goa University.
	d. To provide flexibility in conducting ISA's by teachers in the form of tests (Objective tests, MCQ's, Long Answer tests etc.), Assignments (role plays, presentations, model making, videos etc.) e. To inform the students of the performance obtained in their ISA's.	• This has given an insight to the students into the different modes of tests and to prepare accordingly. • Assignments have given the students an opportunity to understand the practical application of the concept learnt in the classroom and also has developed independent learning. • It has enhanced the knowledge and creativity of students. • The different modes of assessment have helped the students to performance

		better in the subsequent ISA's.
	f. To display the timetable for First, Second Year is put up one month prior to the SEE schedule (Regular/Backlog/Special Supplementary). g. To display the Third Year time table is as and when received from Goa University.	This has helped the students to plan their study preparation in advance and perform better in exams.
	h. To declare the final results of the semester end exams on pre-determined date. i. To conduct Open house day.	- Results of First, Second Year students were declared as per the pre-scheduled date. - An open house day has helped the parents to interact and discuss the performance of the wards with the class mentors and subject teachers. - This has helped in planning the admission process for the next academic year. - It has also helped in scheduling the special supplementary exams well in advance to give backlog students sufficient time to prepare.
4	Student Support Services	
	a. To inform and encourage the students to avail various scholar ships, financial aid and other welfare schemes.	It has helped many economically/socially backward students to pursue their education further.
	b. To make provision of payment of fees in instalments for students.	

	c. To conduct counselling sessions for students.	A professional counsellor as helped the students to address issues in various matters and to cope up with it. Personal counselling is also done by the teachers/class mentors/principal on time to time basis has also helped the students.
	d. To provide canteen facilities for students.	Helps the students to provide refreshments to the students at nominal rates.
	e. To conduct PTA meetings/Open House Day.	- It has helped to build a cordial bond between parents and class mentors/subject teachers. - It makes the parent aware of the performance of their wards related to the academic, co-circular and extra-circular activities. - The interaction between parents and teachers has helped in complementing their roles in handling issues faced by the student and their overall development.
	f. To have two class mentors for each class and remain with the students of the same class till they graduate.	This has helped the class mentors and students to maintain a cordial bond with each other.

		The class mentors provide guidance to the students in matters such as attendance, overall performance in academics, encourage them to participate in extra circular activities etc.
	g. To help needy students under the scheme 'Earn While You Learn'.	This has benefitted the needy students to gain employment and earn income to meet their own and family needs to certain extent.
	h. To felicitate the meritorious students. i. To felicitate students with outstanding performance. j. To establish more endowment prizes for students.	- This has helped in giving recognition hard work put in by the students - It has also motivated the students to continue to maintain the laurel.
	k. To conduct value education class once-twice in a month by the class mentors on pre-defined topics.	- This has helped to instil values and make the students more responsible towards others/situations etc. - It has also helped the student to analyse and handle various situations.
	l. To use SMS facility.	This helped in informing the parents and students regarding their attendance, college events, placement opportunities, special/extra classes, recruitment drives,

		career guidance programmes.
	m. To provide refreshments and travel allowances to students to participate in extra-circular and co-circular activities.	This has encouraged students to participate in co-circular, sports, NSS, NCC activities.
5	Students Participation	
	a. To encourage students to participate in Interclass/ Intercollegiate/State/National/ International activities, events, competitions, seminars, workshops in the fields of academics, co-circular and extra circular.	These activities have helped in exploring the talents of the students, building their confidence level, developing personality and organization skills.
	b. To enrol for NCC and NSS.	This has helped the students in promoting a sense of social responsibility, inculcated discipline, developed the character, leadership qualities, a secular outlook, and service towards the community.
	c. To encourage extension activities such as Out Reach programme for school students, visiting old age homes etc.	- These activities have helped the students to provide an insight to the problems and needs by the community at large. - It has also helped the students improve on their teaching skills and communication skills. - It has also developed a

		sense of humane approach and to provide service towards the society.
6	Skill Based Courses	
	a. To conduct various Career Oriented, Certificate and Credit Based courses	These have helped in augmenting the student's skills and has help them to acquire additional skills, thereby improved their potential to gain employability.
7	Faculty Development Programmes	
	a. To encourage, organize and to participate Seminars/workshops/conferences/symposia etc.	- This has helped the faculty to enhance and update their knowledge as per the current developments in their respective field. - It has also helped the faculty for their career advancement/promotions.
	b. To encourage in pursuing M.Phil./PhD etc.	
	c. To undertake minor/major research projects

1.3 Feedback from stakeholders* (On all aspects)

Alumni	☒	Parents	☒	Employers	☐	Students	☒
Mode of feedback :	Online	☒	Manual	☒	Co-operating schools (for PEI)	☐	

- Student: The feedback was conducted at the end of the semester/academic year on respective subject teachers. The mode of feedback for BA, BCOM and BCA is online. After scrutiny, the principal has appraised the teacher and asked to adopt corrective measures.
- Parents: The feedback from parents is mostly verbally communicated in the open house interactions or in the meetings held by the Parent Teacher Association. The issues addressed or suggestions made by parents were scrutinized by the higher authorities and they were initiated.
- Alumni: The feedback from the alumni is communicated verbally/through emails/social media. The issues addressed or the suggestions made by the alumni were scrutinized by the higher authorities and they were incorporated.
- Associated Industries/Institutions/Guests: The feedback is verbally communicated/through emails from time to time basis and the same is analysed and initiated.

1.4 Whether there is any revision/update of regulation or syllabi, if yes, mention their salient aspects.

- Our college being affiliated to Goa University follows a syllabi designed by the Board of Studies, Goa University in respective subjects.
- As and when the update/revision is informed to the college by the Goa University, the college implements the same.
- In this academic year, there was revision/updation of syllabi of various subjects in the BA, BCom. and BCA.

1.5 Any new Department/Centre introduced during the year. If yes, give details.

- Established a Research center, it is affiliated to the Department of Commerce, Goa University. The Department of Commerce, Goa University have assigned 03 full time research scholars to an approved guide from the college.

**Includes Seminars, Workshops, Refresher Course, Orientation*

2.6 Innovative processes adopted by the institution in Teaching and Learning:

- Each subject teacher prepares semester wise lesson plan (with week wise execution plan of the portion and its references) which is made available to the students in the beginning of the academic year. It is also uploaded in Moodle and copy is made available in the library.
- Use of ICT in teaching learning process in addition to Chalk and Talk method.
- Making use of learning management systems such as Moodle and Cloud technology such as Google drive to make learning materials available to the students.
- Teachers provide the hard copy/soft copy of additional references, study materials, power point presentations, concept maps, hand-outs etc. to the students.
- Subject teachers provide well in advance photo copies of questions to be solved, study materials etc. which need to be solved or discussed in the next class.
- Past question papers in all subjects is discussed by the subject teacher. Question banks are also given to the students.
- Guest lectures are conducted by departments in the respective subjects. Ex-students and external faculty are invited to share experience/deliver lectures.

- Orientation is given to the students in the beginning of each semester by the respective subject teachers on the pattern of examination (ISA and SEE).
- All staffrooms are provided with internet connectivity and Wi-Fi facility. This has enabled the faculty to conveniently prepare for the lectures.
- Updated computer laboratories with required software have also enhanced teaching learning process.
- Pre course test conducted in the beginning of the academic year for the First Year BA and BCOM students have helped the teachers to assess the knowledge in their respective subjects. This has helped the faculty to prepare their teaching module as per the level of the understanding of students in each subject.
- Tests and Assignments of various forms such as case studies, role plays, group discussions, model making, oral and written quizzes, power point presentations, mini-projects, multimedia presentations (documentary, short videos) etc. are conducted.
- Remedial classes by the respective subject teachers are conducted for weaker students, slow learners, absentees etc. The classes are conducted as per the schedule or on need basis.
- Educational trips, field trips, industrial visits, excursions etc. are arranged to enhance the practical knowledge of the respective subjects for the students.
- Newspapers are provided in each classroom to instil reading habits among students and to be aware of current news happening all over the world. It has also helped the teachers to discuss the news reports in their respective subjects and related areas.
- SMS are sent to the students regarding attendance, college events, placement opportunities, special/extra classes, recruitment drives etc.
- Career oriented (Tally, DTP), credit-based (Library services, Computer Garage :

Maintenance and Repairs), certificate courses (Computer Hardware, Library and Information Science) are conducted to provide additional skills to the students to gain employability.

- Initiatives are taken to provide internship programmes for students with the industries, commercial institutions etc. to gain hands on experience.
- Organised seminars, workshops, guest lectures for faculty and students. The faculty have also accompanied the student to participate in workshops/seminars organised by other institution. This has helped the students to gain additional knowledge in their respective subjects.
- Faculty Development Programme on various topics such as team building, teaching skills etc., is conducted per semester academic year.

2.7 Total No. of actual teaching days during this academic year: 180 days

2.8 Examination/ Evaluation Reforms initiated by the Institution (for example: Open Book Examination, Bar Coding, Double Valuation, Photocopy, Online Multiple Choice Questions)

- Examination and evaluation process carried out as per the guidelines of Goa University.
- As and when reforms are introduced in examination and evaluation process, the same is initiated in the college.
- Exam process is computerised and has customised software that allows the marks to be entered for the current student as well those who have backlogs, generate mark sheets for the first and second year students etc.
- Apart from the university examination reforms, the college has established an examination committee for the smooth conduct of the regular/supplementary exams.

- The college follows the continuous evaluation system as per the rules prescribed by the Goa University. The evaluation process is divided as intra semester evaluation and end semester evaluation. Internal evaluations are conducted subject wise by respective departments and SEE exams are conducted as per the schedule given by the Goa University.
- Some reforms carried for internal assessment and end semester assessment for First year and second year of all streams are:
 - Internal evaluation for ISA in the form of multiple choice questions, short answers questions, long answers questions, presentations, assignments etc.
 - Photocopy facility available for students to photocopy questions papers of end semester exams.
 - Computerised entry of marks and generation of the results.
 - In cases where the students have grievances with respect to the marks scored in subjects, re-evaluation and verification is carried out as per the rules of the Goa University. Re-evaluation process is a transparent process whereby the students can access their answer scripts in the presence of the principal at a scheduled time.
- Question banks and copy of the past question papers in all subjects are made available in the library to the students

**2.9 No. of faculty members involved in
curriculum restructuring/revision/syllabus development
as member of Board of Study/Faculty/Curriculum Development
Workshop**

04

2.10 Average percentage of attendance of students: 84.1%

2.11 Course/Programme wise distribution of pass percentage :

Title of the Programme	Total no. of students appeared	Division				
		Distinction %	I %	II %	III %	Pass %
BA	68	13.2	23.5	32.5	19.1	88.2

BCA	26	38.4	30.7	19.4	0.03	100

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes :

- Pre course test is conducted at the beginning of the academic year.
- Apart from regular lecture methods, film screening, field visits, quizzes etc. were arranged by the subject teachers.
- Hands on experience were given to the students through placement for voluntary work and internships within college such as library, office etc. and outside the college such as in neighbouring banks, offices etc.
- Credit based, career oriented, and certificate courses were conducted in Computer Hardware, Tally etc. in this academic year.
- Execution of the academic time table and lesson plan is monitored.
- Internal assessment papers are shown to the students.
- An Orientation was conducted regarding preparation of lesson plan, pedagogy, execution etc. by the senior teachers/HOD to the newly recruited teaching faculty.
- To ensure the completion of syllabus, the execution of the lesson plan is counter checked and signed by the principal/administrator.
- Student's feedback is conducted on each teacher subject-wise at the end of the academic year. After scrutiny and tabulation, the principal appraises and guides the teacher and expects to improve/correct in the teaching methods used.
- Every month the class mentor meets and interacts with their respective class students. They listen and address the common problems/individual problems faced by students and are accordingly rectified. On need basis the class mentors also counsel the student.

- Each department evaluates the performance of students at the end of the semester/academic year and accordingly plan for the next semester/academic year.

2.13 Initiatives undertaken towards faculty development

3. Research, Consultancy and Extension

3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution:

- The IQAC informs and circulates details on various research projects/ grants available under UGC and other research funding agencies.
- The faculty is encouraged to apply for minor and major research projects under UGC or other research funding agencies and encourages the faculty to apply for the same. The schemes to apply for major and minor research projects are also made available.
- In order to inculcate the research culture among the faculty and students, a research and development committee has been established. It promotes various research related activities such as workshops, publishing yearly in-house research journal, training etc. The Research And Development Cell organised a Two Day Workshop for the teaching faculty on “SPSS” on 23rd and 24th March 2015 .
- The committee plans to release the journal with an ISBN number.
- The faculty is encouraged to participate in State, National and International conferences, seminars, symposia, workshops etc.
- The faculty is encouraged to present and publish their research work in refereed journals at state, national and international conferences, seminars and symposia.
- The faculty is encouraged to pursue doctoral and post-doctoral programmes on full time or part time basis.
- The college also has a well-equipped computer laboratory with internet connectivity and library facilities to supplement in the research activities carried by faculty and students.
- The students are encouraged to participate in inter-class/inter-collegiate seminars, workshops etc.
- The students are encouraged to present papers in their related areas at inter-class and inter-collegiate seminars. The faculty assists the students in the preparation of the paper to be presented.
- Conducted an orientation programme on Project work for TYBCOM and TYBA students on 26th August 2014 and TYBCA on 16th June 2014.
- As per the curriculum designed by Goa University, the Third Year students have to compulsorily submit an elementary research project in their related stream. The faculty is

assigned to guide the students individually or in groups to complete the same.

3.26 Major Activities during the year in the sphere of extension activities and Institutional Social Responsibility

- Fr. Fredrick Rodrigues has partnered and also provided financial support to the Leprosy Mission Trust of India.
- The BCA department in collaboration with Our Lady of Desterro Church, Vasco, Goa designed and conducted a one month “Basic Education Computer Course” to help the parishners of the church to become computer literate.
- The Extension cell of the college in collaboration with Home Nursing Care have employed two qualified nurses to attend to the elderly people in the three villages of Pilar, Agassim and Goa Velha of the St. Andre Constituency. This is an attempt to take care of the elderly, dispel their loneliness and propagate to the society the need for geriatric care. The nurses along with four students of the college have visited 22 homes to give the required nursing care for the elderly persons staying in their respective homes. They visited two days in a week (Monday and Tuesday) the homes of the elderly, which was enlisted by the cell. This outreach programme was initiated from July to September 2014 and November 2014 to February 2015.
- The NCC Unit of the college in collaboration with Majorda Club and I Goa Naval Unit organised of our college Garbage Collection Drive (24th August) , Tree Plantation Drive (25th August), Anti-Plastic Rally (26th August) and Visit to the Old Age Home (27th August) by SD and SW cadets in Majorda Village
- The NSS Unit of the college organised a community cleaning drive in and around Pilar Seminary on 23rd August 2014. The activity focused on cleanliness in the community, segregation of plastic waste and team work. There were nearly 350 students who enthusiastically participated in the activity.
- The Sociology department in collaboration with the District Legal Services Authority, North Goa-Panaji organised a seminar on “Legal Awareness” for the students and local community. This seminar focussed on critical issues such as Right to Information Laws, Domestic violence, Rape etc. Judge Cynora Teles, the Chief Justice of Fast track court, was the Chief Guest for the day.
- The NSS unit of the college conducted a social awareness campaign for the people in and St. Andre constituency. Several street play performances were conducted on social issues such as conservation of water, environmental protection, and pollution control and women empowerment during September and October 2014.

- The NSS unit of the college is actively providing assistance to the community towards EPIC card registration from 1st July 2014-20th March 2015. 80 people were benefitted.
- The NSS unit of the college launched a “Social Benefit Campaign” to assist Senior Citizen for obtaining Senior Citizen Cards from 1st July 2014-20th March 2015. The volunteers of the unit identified the eligible senior citizens of St. Andre constituency and any other and assisted them accordingly.
- The Goa Football Association organised the ARC “D” license course for football coaches in the college premises from 19th -23rd August 2014. 42 coaches participated in this course.
- The Extension cell of the college in association with Goa Velha Church and American Heart Foundation organized a medical camp for people of Goa Velha who are suffering from diabetes, obesity and thyroid on 4th January 2014. 91 people attended the camp.
- The NCC B certificate examination for the year 2014-15 was conducted at the college premises on 14th-15th February 2015. A total of 296 SD/SW/NCC cadets participated in the B certificate exam.
- The Extension cell of the college in association with Goa Renal (kidney) support Association (GRSA) organized an awareness program for the general public on various kidney diseases. Leaflets were distributed on the prevention of kidney related and its allied diseases. This awareness program was held on 12th March 2015 to celebrate the World Kidney Day.

Criterion – IV**4. Infrastructure and Learning Resources****4.1 Details of increase in infrastructure facilities:**

Others(Rs. in Lakhs)	-	1.8	Government, Management	1.8

4.2 Computerization of administration and library:**Administration**

- The administrative work is fully computerised specify software are installed as per the nature of their job.
- Internet connectivity available for the administrative staff.
- Examination related work is fully computerised.
- After the admission of students, a student database is created.

Library

- Library is fully computerized since June 2005 with NewGenLib library software and has an online catalogue.
- All the documents, reader's identity cards are bar-coded.
- Online Public Access Catalogue (OPAC): The users can search through the library

catalogue, booking and renewal facility, information of new arrivals etc.

- Issue and return of books, stock verification etc. are recorded using library software.
- The readers are also contacted through emails.
- In the website, all library information about the e-resources, institutional repository such as old question papers, curriculum, power point presentations etc. are provided.

4.3 Library services:

4.5 Computer, Internet access, training to teachers and students and any other programme for technology up gradation (Networking, e-Governance etc.)

- WIFI campus
- Laptops given to the teachers with free internet facility in order to use ICT facility in teaching
- Computers with free internet connectivity facility are available for the faculty and administrative staff.
- Language lab for soft skills training has been installed.
- Separates LAN's are available for office, computer laboratories, library
- Computer systems and other peripherals available in the library for executing and handling library services.
- Well equipped computer laboratories along with free internet facility available for students to carry out their assignments, project works and other related work..
- Training given to the faculty in the use of language lab software.
- Basic training facilities are provided for the faculty and students to use of OPAC and INFLIBNET N-list.
- Examination related activities are also computerised for generating of collated results sheets, collating results, notices, individual marksheets etc.
- Training for faculty for certification programmes by D-Link Academy, Mumbai in order to conduct Networking courses for the students.

4.6 Amount spent on maintenance in lakhs :

i) ICT	Rs. 1,145/-
ii) Campus Infrastructure and facilities	Rs. 23,791-
iii) Equipments	Rs. 1,22,332/-
Total :	Rs. 1,47,268/-

Criterion – V

5. Student Support and Progression

5.1 Contribution of IQAC in enhancing awareness about Student Support Services:

Admission process:

- The College follows the rules and regulations laid by the Directorate of Higher Education, Government of Goa, for giving admissions to students to various courses.
- The admission of students to the various courses is transparent and is based on first come first serve basis. The college admits academically challenged students adhering to the vision of the college.
- The details of the courses, activities and other support services are made available to parents and students through the prospectus.

Orientation programme for First Years:

- This is conducted at the beginning of the academic year by the Principal and the class mentors. The points discussed are
 - Aims, Mission, Objectives of the college
 - Facilities provided in the college
 - Conduct of classes
 - Examination/Evaluation Process
 - Discipline, Attendance
 - Extra-circular activities, Sports etc.

Financial Assistance:

- The College through the Student's Welfare Cell have helped socially and economically disadvantaged students to avail various scholarships, financial aid for pursuing their higher education.
- The students are allowed to pay fees in instalments.
- In some cases, students are allowed to pay only a part of their total fees in case of financial difficulty.

Placements for Students:

- The Career Guidance and Placement cell organises various recruitment drives,

workshops on career guidance, training sessions etc. for students to gain employment. It also ensures campus visits by companies for recruitment and training every year. (Refer to 5.6 for details)

- The college maintains a link with various industries, commercial establishments and other institutions to conduct internship programmes, recruitment drives or career counselling sessions.
- The college provides employment to bonafide needy students under the scheme 'Earn while learn'. In this academic year, the students have worked after their lecture hours in the library and IGNOU Study Centre, Pilar.
- Various career oriented and certificate courses were conducted to aid the students in gain additional skills for employability.

Facilities for students:

- The college has a well-equipped library with books, journals and e-resources. It also provides facilities such as OPAC, INFLIBNET N-list, book bank facility, additional library cards for scholars, SC, ST, OBC students, access of past question papers, syllabus, spelt out syllabus etc. Basic training facilities are provided for the students in use of OPAC and INFLIBNET N-list.
- The canteen provides refreshments to the students at nominal rates.
- A professional counsellor was appointed and is available on two days a week for counselling students. Personal counselling is also done by the teachers/class mentors/principal on need basis
- Remedial classes were conducted by subject teachers for slow learners/ weak students/ absentees and also for students who faced difficulty in understanding certain topics.
- SMS facility is provided to inform students and their parents of the various activities taking place in the college, campus placement activity, attendance, college functions, etc.
- The computer laboratories provide free internet facility for students to access information and also to perform their assignments, project related work etc. Photocopy, stationary, print and scanning facility is also provided to the students at subsidized rates.
- Sports activities are conducted at inter-class/inter-collegiate event, participation of

students in inter-class, inter-collegiate and national level. Sports equipments are provided to the students while participating in practices and for sporting events. In college campus, a well-equipped gymnasium and sports field is also available to the students.

- Refreshments and travel allowances were given to the students participating in extra-circular and sports activities.
- NSS/NCC/Extension services were also carried out to explore and to participate in activities in and beyond college campus.

Others:

- The ex-students were invited as guest lecturers, guest of honour/chief guest for a function, jury etc. The ex-students were also invited to share their experiences related to their college life, job etc. The Alumni association of the college organises felicitation for meritorious students and makes contribution/donations towards sponsoring awards or for conducting an event(s).
- Activities were organised at interclass level and participation in activities at inter-collegiate, state and national level enhances the knowledge and personality of the students.
- Awards and felicitation are given to meritorious students who excel in academics, sports and extra-circular activities.
- Value education class were conducted once-twice in a month by the class mentors on pre-defined topics.
- Student's Contributions such poems, articles, experiences etc. are made to the College Annual Magazine and monthly news bulletin "Happenings".
- The students are a part of the editorial board for the monthly news bulletin "Happenings".
- The Parent Teacher Association organised meetings and open house day. The parents are allowed to walk-in to inquire of their ward during the college hours. The college also provides SMS facility to the parents to give information on attendance and other related information. The interactions with the parents have also helped to overcome shortcomings/difficulties faced by the students.
- A Research Centre was established.

5.2 Efforts made by the institution for tracking the progression:

- Departments assess the performance of students in various subjects the end of each semester/academic year and accordingly formulate plans for the next semester/ academic year.
- Achievements of students are published in the monthly newsletter “Happenings” and the annual magazine and in some cases the news reports or notices related to the achievements of students are put in the notice board. The students with short fall in attendance are individually addressed by the Coordinator of the Attendance Committee, Administrator and Principal.
- The internal evaluation (Tests, Quiz, Presentations, and Assignments etc.) of the various subjects are regularly appraised to the students and are displayed on the notice board.
- After assessing the performance of students by each subject teacher, remedial classes are conducted to those students who have difficulties in the subject/slow learners/weak students/absentees etc.
- Counselling sessions are conducted for students by a professional counsellor, class mentors on time to time basis. This also has helped in tracking the progression of the students.
- Open house day, class mentors interactions with the respective groups of students and PTA meetings have also helped in tracking the progression.
- The Alumni Association helps to track the progress of the ex-student through personal contacts, social media etc.

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision:

To provide quality higher education to all, including the socially, economically and academically challenged students and through honest toil build successful citizens in all walks of life who will sustain the ethos of our great country through imbibed values of truth, love and justice for all

Mission:

- To promote quality education without discrimination
- To inculcate in students the value of hard work as a stepping stone to success
- To enrich in young men and women the value of truth, love and justice for all
- To inspire students to use their knowledge as an instrument of social change
- To build a pool of successful citizens in all walks of life

6.2 Does the Institution has a Management Information System.

No. The college plans to adopt a Management Information System in the near future.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

- The college is affiliated to the Goa University therefore follows the syllabus set by Board of Studies in respective subjects. As and when the update/revision is informed to the college by the Goa University, the college implements the same.
- Some of our faculty members are currently members of the Board of Studies in their respective subjects have contributed to framing/revising of the existing syllabi.

- Some of our faculty members also participated in the workshops to review the existing syllabus organised by the department of Goa University and other institutions.
- Considering the existing industry/market demand, the college has introduced various career oriented courses, certificate courses, and training programmes, internship programmes to enhance the additional skills needed for by the students to gain employment.

6.3.2 Teaching and Learning

- The academic calendar informs the students of the various activities and events to be held on the college which are made available in the prospectus.
- Each subject teacher prepares semester wise lesson plan (with week wise execution plan of the portion and its references) which is made available to the students in the beginning of the academic year. It is also uploaded in Moodle and copy is made available in the library.
- The college promotes student centric learning by providing ICT facilities and encourages faculty to use the same.
- Guest lectures are conducted on various topics of respective subjects to students which cater to a wider perspective to the related topic.
- Field trips, industry visits, excursions, study tours during vacations are also conducted.
- Assignments are given in the form of case study, role plays, models, videos, student presentations, class discussions, quizzes, films etc.
- The students have attended/participated in interclass and intercollegiate seminars and workshops and other events.

- The students have been deputed as resource persons to teach the students in neighbouring schools under extension activities.
- Faculty Improvement Programme is conducted per semester to empower the teachers with new methods on teaching and other related areas.
- Feedback is conducted on respective subjects of teacher's evaluation at the end of each academic year and corrective measures are taken to modify/improve on the teaching methods.
- Organised seminars, workshops, guest lectures for faculty and students.

6.3.3 Examination and Evaluation

- The tentative dates of examination schedule for all streams are informed to the students in the beginning of the academic year.
- Since it is a continuous evaluation system, we adopt various methods to conduct internal assessment like tests (objective, long, short questions-answers), assignments (presentations, case studies, open book tests, quizzes etc.)
- For totalling of the final marks for internal assessment, the best scores are selected. The student failing to perform well, are given re-tests on time to time basis. The performance of the students is communicated to parents.
- The internal evaluation of the various subjects is regularly appraised to the students and displayed on the notice board.
- The exam evaluation is a transparent process wherein the students can avail of revaluation and re-verification services as per the Goa University ordinances.

- In order to handle mal-practices, the college has established an Unfair means committee.
- The project work carried out by Third year students (individually/group) in their respective subjects as a part of the curriculum enhances their research skills, gains extra knowledge, helps in team building and acquires leadership qualities.
- The computerised automation of the working of the examination committee which has ensured the easy conduct of examinations and timely declaration of results of first year and second year students of all streams.
- Exam related matters such as timetable, payment of fees etc. informed and displayed on the notice boards to students well in advance (one month prior).
- Question banks and copy of the past question papers in all subjects are made available in the library to the students.

6.3.4 Research and Development

- Details along with application forms which are sponsored through UGC grants and other research funding agencies are made available to the faculty.
- Established Research and Development Committee and promotes various research related activities such as workshops, publishing yearly in-house research journal (ANCHOR), training etc. Plan to apply for ISBN.
- The faculty is encouraged to participate in State, National and International conferences, seminars, symposia, workshops etc.
- The faculty is encouraged to present and publish their research work in refereed journals at State, National and International conferences, seminars and symposia.

- The faculty is encouraged to pursue doctoral and post-doctoral programmes on full time or part time basis.
- Adjustments of lectures, supervisions are done for facilitating research activities.
- The college also has a well-equipped computer laboratory with internet connectivity and library facilities to supplement in the research activities carried by faculty and students.
- The students are encouraged to participate in inter-class and inter-collegiate seminars, workshops etc.
- The students are encouraged to present papers in their related areas at inter-class and inter-collegiate seminars. The faculty assists the students in the preparation of the paper to be presented.
- As per the curriculum designed by Goa University, the Third Year students have to compulsorily submit an elementary research project in their related stream. The faculty is assigned to guide the students individually or in groups to complete the same.

6.3.5 Library, ICT and physical infrastructure / instrumentation

Library:

- Fully computerized and bar-coded
- Availability of open access facility for searching of books, journals etc.
- Availability of the INFLIBNET N-list services to the users
- Classifications and cataloguing is done as per international standards for all library documents.
- Regular up gradation of books, addition of journals, reference books and other

resources on the basis of the suggestion made by the faculty and students.**

- Regular updation of library software is to include new features; bug fixes etc. therefore provide ease to the users.
- Regular binding of old issues of magazines, journals and other reference books
- Separate section for career guidance, competitive examinations, local history and donated books.
- Availability of book bank facility for economically backward students.
- Additional library cards provided for scholar students, SC, ST and OBC students
- Availability of the library services and resources for general public.
- In addition to the above services, Department of Library and Information

Science:

- Conducted Certificate course in library available for general public approved by Directorate of Higher Education, Government of Goa, of 4 months duration (3 months theory/practical's and 1 month Job training).
- Conducted Credit based course in Library Science is introduced for college students. The student is required to spend a minimum 25 hours in the academic year (without missing the regular lectures) under the guidance of the college librarian.
- Organised Book exhibitions on special occasions
- Organised Field trips for students to various major libraries around Goa
- Selected students of the college are trained by the department to for data entry of the books and other services and are deputed to the same in other libraries in Goa under the *Earn While You Learn* scheme
- Provides career guidance for students
- Consultancy services provided to various libraries in Goa
- Training on information literacy for faculty, students and general public

ICT

- Fixed LCD projectors and screens available in all classrooms and laboratories in addition to this, two portable LCD projectors are also available.
- Wi-Fi facility in the Campus
- Use of Learning Management Systems (Moodle)
- Laptops available for staff

Physical Infrastructure/Instrumentation

- Classrooms: 90% classrooms are equipped with LCD projectors, green chalk boards, dust free chinks, good quality benches, notice boards in each classroom, proper ventilation and lightning
- Computer Laboratories: Well-equipped computer laboratories with sufficient number of computers and latest software. Internet connectivity is available to all systems. Printer cum Xerox systems available for faculty and students. LCD Projectors installed in the laboratories.
- Sports: Availability of various sports equipments and accessories, separate store room available for sports equipments and accessories, sports fields for basketball, football, badminton, cricket etc., indoors sports rooms with indoor sports facilities, sports locker facility.

- Encourages minimum use of plastic such as plastic cups replaced with porcelain cups plastic files replaced by thick paper files etc.
- Campus cleaning organised twice in each semester by NSS unit of the college
- Awareness campaigns organised to sensitize on environment
- 2nd October cleaning drive campaign organised by the Government of Goa. Rooms, lobbies, laboratories, campus cleaning are carried out by the staff and students on this day.
- Minimum use of AC (only in computer laboratories) helps in reducing the carbon emissions.
- Switching of electric gadgets when not in use toward energy conservation.

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

Out Reach Programme:

Social responsibility towards the community

The college in collaboration with Home Nursing Care have employed two qualified nurses to attend to the elderly people in the three villages of Pilar, Agassim and Goa Velha of the St. Andre Constituency. This is an attempt to take care of the elderly, dispel their loneliness and propagate to the society the need for geriatric care. The nurses along with four students of the college have visited 22 homes to give the required nursing care for the elderly persons staying in their respective homes. They visited two days in a week (Monday and Tuesday) the homes of the elderly, which was enlisted by the cell. This outreach programme was initiated from July to September 2014 and November 2014 to February 2015.

The NSS Unit of the college helped people to avail for the Senior Citizen Identity cards. The application forms for availing the cards were distributed by the NSS students to the people area wise and the filled forms were collected for further processing. The forms were also made available in the college.

The local community in the vicinity of the college makes use of the playgrounds for recreation in the evenings, basketball court to dry paddy, grains, red chillies etc. after the college hours/ vacations/holidays etc. with the prior from the principal.

The extension cell in association with Goa Velha Church and American Heart Foundation organised a medical camp in Goa Velha for the people suffering from diabetes, thyroid and obesity on 4th January 2015. 91 people benefitted from this outreach programme.

Talks, street plays on social issues, community cleaning, rallies etc. were conducted to create awareness among the local community of St. Andre Constituency by the NSS/NCC Unit.

Helping Hand: A high geared sports cycle was donated by the Alumni Association to a needy student participating and a champion winner in cycling.

Assistance provided to Foreign students: The First year foreign students are given orientation to help them to get acquainted to the Indian pattern of Education. Special English classes were conducted for these students to improve on their communication skills and comprehension skills.

Adaption of new methods to teaching learning process:

The management and the principal has made various provisions to enhance the teaching learning process by

- Equipping the teachers with (laptops, internet connectivity, interactive boards) and creating necessary infrastructure such as multimedia classrooms, e-resources etc.
- The use of Social Media such as Facebook etc.
- Moodle, blogs etc. are available for the students to access study material, upload assignments etc.

Appreciation day: Appreciation awards for students who brought laurels in the area of academics, sports and extra-circular activities and was sponsored by D-Link Academy Mumbai

Prayer Service: Two staff members are assigned week wise to organise and conduct the prayer service for all the staff. A Prayer service for students is also conducted in class for 5 minutes during the first lecture by the respective subject teacher. It has been a tradition in the college to start any event with a prayer service. The college emphasizes on promoting communal harmony and help healthy and conducive environment.

Earn while you learn: The college provide employment to bonafide needy students. The students work after their lectures in library and IGNOU study centre Pilar.

Abreast students with the current news: The local newspaper O-Herald and the weekend newspaper “The Goan”, is provided in each classroom and the teachers discuss the reports in their respective subjects and it related areas. In addition, the library subscribes to 12 local newspapers and national newspapers.

Monthly Bulletin: Since 2007, the college publishes a monthly bulletin called “Happenings”. It reflects and reports on the various activities, events, students and staff achievements, student and staff participations, write-ups on certain issues, experiences etc. It is circulated among the staff, students and other stakeholders through email.

Faculty development programmes: The college conducts faculty development programmes twice in an academic year.

Inculcating saving habits: The neighbouring banks encouraged the students to open savings account in the bank with zero balance.

7.3 Give two Best Practices of the institution

Prayer Service:

Objective:

- To build religious tolerance.
 - To respect the other religion and its belief.
 - To build a healthy relationship among staff and students.
-
- Every morning, all staff members gather in the prayer room. Two staff members are assigned week wise to organise and conduct the prayer service. Each staff member has the flexibility in designing the execution of prayer service., it includes a moral value (wherein the reflection is represented with the help of stories, poems, audio pieces etc.), prayer for students, staff, birthday wishes etc.
 - Prayer is also conducted in class for 5 minutes during the first lecture by the respective subject teacher.
 - It is a hallmark of our college to begin every event with a prayer service. For the prayer services, quotations/reading is taken from different religious books, audio visual presentations which reflect a message of a theme.

- Value education and Inter-faith cell conducts various competitions, field trips, talks etc. which promotes communal harmony.

Appreciation Awards:

Objective:

- To boost the morale of students for their hard work.
- To encourage the students to continue in participating in various activities.

Every year, the college has marked a day called as “Appreciation Day”, preferably conducted on 14th February. The students are awarded for their outstanding performance and participation at various inter-collegiate, state, national and international level event in co-circular and extra circular events (Sports, NCC, NSS, Cultural Events etc.)

7.4 Contribution to environmental awareness / protection

The college takes special initiatives to create and promote environmental consciousness among the staff, students and community through the following:

- Plantation drive carried out in and around the campus
- Talks, workshop, awareness drives through street plays, screening of movies, documentaries etc.
- Nature walks, trekking, field trips to spice plantations/farms by NSS, NCC and Environment Club
- Anti-plastic campaign, Campus and Community cleaning, Paper Shredding.
- Clean up drive for 2nd October (an initiative by the Goa Government).
- Setting up of Vermi-composting unit has helped in managing the bio-degradable waste
- Celebrating the World Environment Day
- Inculcating the sense of saving energy through the *Civic Sense Award*
- A compulsory paper “Environmental Studies” in First Year for all streams have helped in sensitizing the students on various environmental issues and also its importance in protecting it.

7.5 Whether environmental audit was conducted?

Yes

☐

No

☒

7.6 Any other relevant information the institution wishes to add.

- 25 students successfully completed newly introduced certificate course in Library and Information Science.
- 02 students successfully completed, a credit based course “Computer Garage” -Computer Maintenance and Repairs for the academic year 2014-2015.
- The value education class were conducted twice in a month by the class mentors/guest lecturers/ex-students on pre-defined topics to instil values and make the students more responsible towards others/situations etc.
- Students have participated and also have won in various academic, sports, cultural activities at State and National level events.
- 04 students successfully completed short term course in library science, a credit based programme for the academic year 2014-2015.
- Minor renovation works for classrooms, computer laboratories etc. were carried.
- Students have taken initiatives to organise and have successfully managed programmes in the college such as Impetus, exhibitions etc.

9. Plans of institution for next year

- To install CCTV and surveillance devices at the prominent locations to enhance the security in the college for staff and students.
- To plan various programmes for the Silver Jubilee Celebrations of the college.
- To install solar energy panels.
- To introduce the Centre for Research and Excellence between Society and Technology (C.R.E.S.T).
- To introduce additional certificate courses to provide additional skills to the students.
- To complete and submit the Self Study Report for the NAAC Accreditation Cycle II.
- To make stronger the Career Guidance and Placement Cell by developing more linkages with industries/organisations to hold campus recruitments and also have more training sessions for students to enhance their skills for employability.

- To continue to train and guide the students for entrance and competitive examinations.
- To strengthen the extension cell to hold more community outreach programmes.
- To encourage the faculty to pursue and complete their Ph.D.
- To encourage faculty and students to participate/present papers at International/National/State seminars/conferences.
- To encourage the faculty to use innovative teaching methods.
- To organize a National Level Conference.
- To invite experts to interact with students and share their experiences.
- To apply for a minor/major research project of the UGC.
- To continue with the upgradation of the infrastructure.
- To continue in conducting the credit based, certification and certificate courses.
