2. IQAC Composition and Activities

2.1 No. of Teachers : 09

2.2 No. of Administrative/Technical staff : 02

2.3 No. of students : 04

2.4 No. of Management representatives : 02

2.5 No. of Alumni : 01

**2.6 No. of any other stakeholder and
community representative** : 01

2.7 No. of Employers/ Industrialists : 01

2.8 No. of other External Experts : -

2.9 Total No. of members : 20

2.10 No. of IQAC meetings held : 13

2.11 No. of meetings with various stakeholders :

Faculty: 07
Non-Teaching
Staff : (02 along with
Teachers)
Students: 02
Alumni: - 01
Others (Committee
members of IQAC): 03

2.12 Has IQAC received any funding from UGC during the year? : No

If yes, mention the amount : ---

2.13 Seminars and Conferences (only quality related)**(i) No. of Seminars/Conferences/ Workshops/Symposia organized by the IQAC**

Total Nos.	14	International	-	National	2	State	4	Institution Level	8
---------------	-----------	---------------	----------	----------	----------	-------	----------	----------------------	----------

(ii) Themes:**Faculty Development Programmes:****Teaching learning methods/approaches**

- Workshop for teachers on **The Relevance of the Google Classroom**, on April 6, 2017 through the Department of English, on the merits of the Google Classroom, especially the paper-free option it offers for providing assignments and projects to students, as well as in monitoring their progress; and the procedures involved in setting up a Google Classroom. Prof. Christopher Gallagher from the International Christian University, Tokyo, Japan was the Resource Person.

Handling new curriculum

- Symposia for teachers on **Choice Based Credit Based System** on 07.04.2017, by Dr. Shilpa Desai. Areas covered structure, evaluation system, time table scheduling etc. Program to be introduced from next academic year.

Cross cutting issues

- UGC sponsored National Seminar through the Department of Political Science, on 2nd August 2016 on **Human Rights of Women and Children in India**. The Seminar raised important questions and delivered answers with the goal to ensure the Human Rights of Women and Children across India. The Seminar also comprised of two panel discussions. One to examine the issues related to the Rights of Women and the other to discuss the issues related to the Rights of Children. A panel of expert resource persons were invited and over 120 participants consisting of faculty of the college, and activists, lecturers and students from across the state participated.
- Through the Department of Physical Education & Sports Science, organised UGC Sponsored National Conference on **Road Map to Enhance Sports Performance and Health in Educational Institutions**, on 5th & 6th October 2016. Several issues related to health, nutrition, lifestyle management were covered. Dr. Anil Ramachandran, Dept. of Physical Education, Kannur University, Shri V.M Prabhudessai, Director of Sports, Govt. Of Goa among others were the Resource Persons. Academicians and experts from the field of sports, nutrition and health

presented papers at the conference, which was attended by 100 participants, including faculty and students of the college.

- Through the Department of Physical Education & Sports Science, a workshop on **Modern Lifestyle Diseases and need to manage lifestyle** was conducted on 17th October, 2016 for teaching and non-teaching staff. Mr. Jovito Lopes was the Resource Person.
- Through the Centre for Research and Excellence between Society and Technology (CREST), organized **2nd State Level APJ Abdul Kalam Conference for “Livability of Planet Earth”** on 12th August 2016. The conference had three memorial lectures on “Livable Planet Earth: Impact of Ocean noise on Fishing Patterns” by Dr. Bishwajit Chakraborty (chief scientist at CSIR-NIO); “Livable Planet Earth: Resolving human wildlife conflicts” by Mr. Benhail Antao (honorary wildlife warden, forest department) and “Livable Planet Earth: Avoiding future water wars,” by Ms. Hegel Da Costa (faculty Fr. Agnel college) in addition to interactive sessions. In addition to the faculty of the college, participants were drawn from academia, industry, government, NGO’s, and civil society.
- Through the Centre for Research and Excellence between Society and Technology (CREST) organized **State Level Symposium: Ground Zero** for faculty and students on 15.09.16. The resource persons included Advocate Cleofato Almeida Countinho, Dr. Elvis Fernandes, Dr. Gervasio Mendes and Honourable MLA’s, Mr. Aleixo Sequeira, Mr. Reginaldo Lourenco, and Mr. Vijai Sardesai, as well as other politicians and aspirants for the elections to the 14th St. Andre Constituency. The event highlighted on various issues and challenges of democratic system in Goa and India, and emphasized on the role of the youth and academicians especially of the college as the torch bearers, as well as conscience keepers and critics of the system. The event also acts as a platform to facilitate a dialogue between politicians and students of the college.
- RTI interactive session on **‘Procedures for Prompt and Correct Reply and Duties and Responsibilities of RTI Officials’** was conducted by IQAC for RTI office bearers -PIO, Asst. PIO and First Information Officer on 18.03.17. Shri Sandeep Heble, Coordinator, Goa RTI Forum and Shri Ganpat, Secretary, Goa RTI Forum were the Resource Persons.
- State level symposium on **Post Budget Analysis** for staff and students organized on 9/02/17 through the Dept. of Commerce to evaluate the pros and cons of the recently adopted annual budget for the union and related issues. CA Santosh Kenkre was the resource person. Impact on salaried class was also discussed.
- Through the Dept. of Commerce organized State Level Symposium for staff and

students on 7/01/17 on **Goods and Services Tax** system introduced in India. CA Parimal Kulkarni and CA Sandip Bhandare were the resource persons who covered the tax system and related issues and perspectives including implementation issues and its impact on citizens.

Teacher Development

- A workshop on **Teachers as Human Engineers** was organised by IQAC for the teaching staff on 30th Sept, 2016 on looking beyond text-book knowledge. Teachers were exhorted to be catalysts in developing young minds to enable them to comprehend things happening in the present and interpreting the consequences of present events on future events. Dr Jerry Rosario, Sj, Socio-Pastoral Activist and a visiting professor in more than 45 institutions was the Resource Person.
- A Workshop on **Enhancing Work Performance** based on Stephen Covey's Seven Habits of Successful Persons was conducted by IQAC on 9th December 2016. Dr. Allan Menino Tavares, sfx was the Resource Person.
- A Workshop on **Mentoring-A Positive Psychology Perspective** was conducted by IQAC for Mentors and other teachers on 5th April 2017 on using positive psychology principals to mentor and motivate students; and also in one's own approach in dealing with issues including personal ones. Dr. Elvis Fernandes, sfx was the Resource Person.
- A Workshop on **How to keep track and enhance your Academic Performance Indicators (API) score** was conducted for teachers by IQAC on 24th April 2017. Dr. Saba V.M. Da Silva, Principal of Govind Ramnath Kare College of Law, Comba, Margao, Goa, was the Resource Person.

2.14 Significant Activities and contributions made by IQAC:

- Coordinating presentations of the Institution/Departments/Committees/Cells along with documentation and other arrangements for NAAC Peer Team visit in August 2016. Also hosting the Peer Team during the visit; smooth conduct of work of the team; and ensuring documentation in line with SSR. **The institution was upgraded by NAAC from B++ to 'A' Grade in the Second Cycle.**
- Planning and preparation of Plan of Action towards quality enhancement and outcomes to be achieved for the academic year 2016-17.
- Meetings with HODs and In-charges of Committees/Cells and planning out and drawing of academic calendar for 2016-17.

- Reworking of all college committees pertaining to academics, co-curricular and extra- curricular activities to ensure all quality parameters are covered and in order to enhance operational performance of plan of action. Recommendations given to Principal/Management with each group of committees to be headed by NAAC Criteria Heads. To be introduced from next Academic year.
- Quality Circle, Think Tank and Task Force formed. **Quality Circle** tasked with working on ‘Improving Curriculum Delivery and Transmission’ including revising lesson plan and execution format, and various feedback formats. **Think Tank** as part of the IQAC, to come up with quality improvement suggestions and strategies. **Task Force** to work towards tie up with Universities and other relevant institutions; and to sign MOU’s and undertake formalities as required.
- Prospectus Booklet reworked with comprehensive information, new CBCS details added; aim to make Prospectus informative and user friendly.
- Student strength increased by 77 students from 653 to 730; with 66% girl students; and 38% from socially disadvantaged sections.
- Orientation of Admission Committee to ensure complete transparency in the admission process (in keeping with first-come-first served policy) to make education accessible to all; effective interaction with candidates and guardians/parents; counselling on efficacy of various subject combinations; and guidance for appropriate subject selection from various choices available while addressing workload and administrative issues.
- Orientation for new students “Fresher’s Day” held on 30th June, 2016. The orientation programme involves introduction of students to various facilities in the college including co-curricular, extracurricular activities and extra courses like computer skills, soft skills and other employable skills etc.
- Orientation for new foreign students held on 10th August, 2016. The orientation programme includes cultural sensitisation; introduction to various facilities, rules and regulations; encouraging to join enrichment courses; etc.
- Orientation for new staff conducted on 11th July, 2016 to acquaint them with the rules and regulations of the college and their respective duties and responsibilities.
- Coordinating English classes for foreign students through English Dept.; and Extra classes in subjects as required, to overcome learning deficiencies if any.
- Counselling orientation for students held on 23rd June, 2016 to sensitize them on youth issues and need to seek professional help.
- Talent Search by mentors of First year students to identify potential in students and leverage it for various inter and intra mural activities/events.
- Pre-Course tests class wise- subject wise held at the beginning of the Academic year through individual teachers, for pre-evaluation of subject knowledge of new batches.
- Conducted class wise- subject wise pre-course interaction by teachers in the

beginning of the academic year to discuss teaching plan, syllabus and the course content. In addition, the evaluation system- ISA's, SEE, assignments and projects are also explained to the students.

- Management budgets for co-curricular, extra-curricular activities, meritorious and alumni activities enhanced for the Academic year.
- 03 Foundation Courses, 18 New Skill Enhancement, and 11 Career Advancement, courses/programs/events added/held during the Academic year.
- Coordinating through planning forum of IQAC the various enrichment programs of College clubs/cells such as social science forums, commerce association, Language cell, women's cell, Environmental club, etc .
- Planning Forum budget for field visits/excursions enhanced by 25% to Rs. 50,000/- for various Departments, to encourage teachers to use field visits as a means for learning by first hand witnessing/doing. Departments organised industrial visits, Eco-Tourism initiative experience, Historical site visits, Legislature experience etc.
- Planned and coordinated programs to promote scientific and critical thinking, skill development, drive to excellence , research, gender sensitisation, develop industry-institution interface, promote entrepreneurship, and increase community and neighbourhood outreach etc during the Academic year through the special centre of the college,-C.R.E.S.T- Centre for Research & Excellence between Society & Technology; and through various Departments/Cells.
- Training given to students for competitive exams- 30 hour program conducted in Banking in January- February, 2017, Mr. Deepak Garg was Resource Person.
- Collaboration formed with NGO's, Industries organisations for enrichment and awareness programs.
- Coordinating schedule through concerned committee for regular conduct of Remedial Classes for slow learners, weak students, absentees, sports students; and for students having difficulties in understanding certain topics and maintaining of records.
- Through mentors identifying and counselling students who are likely to drop out due to socio economic issues; also analyzing ISA results and counselling students scoring less to take up remedial coaching.
- Professional counsellor appointment extended for this Academic year (Three days per week). Personal counselling by the teachers/class mentors encouraged as first responders.
- Extended the provision of LCD projectors and screens for ICT delivery of course content. Seven new LCD projectors and screens added/replaced in classrooms.
- Extension of fast broadband Wi-Fi facility to all staffrooms, Free Jio connectivity extended to students and staff. New broadband facility through G Wave added.

- ‘Shalom’ new multipurpose hall inaugurated in June 2016.
- Incinerator installed in girl’s common room for improved disposal of non-biodegradable waste.
- Public Address System used effectively for daily prayer; dissemination of information; and as a control tool.
- LED Digital Display system effectively used to enhance dissemination of information to students and staff for scheduled events of the day; exam work; imparting knowledge; promoting values; congratulating achievers etc.
- SMS facility extended to new students/parents to enable information to the parents and students regarding various activities, events, extra classes, monthly attendance of each student, campus interviews etc. In addition, other social media tools used for dissemination of information to parents/ students/teachers.
- Coordinated Placement activities through Placement Cell. Activities conducted include sessions/workshops for students on employment opportunities, and further specialization in higher studies; inviting companies to conduct training programmes and campus selection; placement for internships and project work.
- Coordinating training of students through concerned cells in interview techniques, personal grooming, CV writing etc, to enhance personality and employability.
- Organised campus interviews for third year and interested students on 2nd March 2017, four companies of the Caculo Group Goa visited, 26 students participated, 11 were shortlisted for following positions: Customer Relation Executive, Customer Relation Executive-Retail, Sales Consultant and Counter Sales.
- Outreach program for socially and economically challenged students. Extended various scholarships, financial aid and other welfare schemes for improving access to higher education.
- Coordinated extension activities through concerned cells/committees in the different categories like blood donation camp, geriatric care, making epic cards, senior citizen card, and pan card, gender sensitization, environmental and social awareness programs, literacy, health camps, plantation, cleaning etc.
- Open day held on 21.12.16. Parents called to collect the results of their wards. The performance of the wards is discussed by the mentors with the parents and advice given where necessary on what they can do to motivate their wards.
- PTA meeting held on 19.07.16 and 09.01.17 to enable meaningful interaction with the parents and build rapport among the parents, students and teachers.
- Felicitation programme held on August 15, 2016 for 52 graduated meritorious students (those having obtained distinction and first class), with aim to recognise merit and encourage others to aim for high performance.
- Appreciation Day held on 13th August, 2016 for 185 students. Aim to appreciate and

encourage students participating in sports and other inter-collegiate activities by felicitating achievers and giving them merit certificates and mementos. Their achievements also published in Happenings, college bulletin as an acknowledgement of their achievement.

- Alumni Meet held on 15/08/16. Alumni relations management activities through Alumni Association, promotes excellent relationship with Government departments, industries, and establishments with whom alumni are connected. Also it enables sponsorship, internships, project work studies, conduct of classes to bridge corporate-campus divide, alumni feedback etc.
- Project work orientation for third year project students on research methodology held on 02/08/16, Dr. Harip Khanapuri was the resource person.
- 405 new books, 2 new journals and 40 new CDs added to Library.

Library seating capacity increased by 20 numbers, storage expanded with 4 new cupboards and 4 new racks. Library Website upgraded with CBCS syllabus, new course material, and other library related data and procedures.

- Separate Reading Room created in Library equipped with Journals, Dissertations, Wi-Fi, etc to facilitate Research among teachers and students. Students/teachers allowed bringing of laptops for use.
- Library open week organised in first week of July to familiarize teachers and students with the various library resources such as text books, journals, encyclopaedias, dictionaries, reference books, maps, charts, photographs, posters, e-posters, coins, postal stamps, artefacts', etc; as well as new additions made to resources.
- **'I am new in the library please read me'** initiative to encourage teachers and students to read new arrivals.
- Book bank facility extended to 30 students. 152 Additional Scholar Library Cards (for those scoring 60% marks and above) issued; and 63 Additional Social Library Cards (initiative for social inclusion) issued.
- Encouraged faculty to undertake Ph.D. Two teachers have completed Ph.D. thesis this academic year; also encouraged faculty to participate and present papers in seminars/ workshops/ programmes/refresher courses/orientation programmes in order to get exposure to the new developments in their respective fields.
- Proposal to management for allocation of regular budget for research to build research infrastructure and conduct activities. Rs. 2 Lakhs budgeted for Research Center of the college.
- Conducted faculty development programmes for administrative staff and teaching faculty; and organised seminars, workshops, and activities for staff, students and community through departments/committees.

- Promoted gender friendly environment in the institution by sensitizing staff, and students; equal opportunity policy; proper upkeep of women's common room; and promoting activities of the Women Development Cell.
- Conduct of Departmental meetings in each semester to assess the performance of students and functioning of the department and formulate plans for the next semester/academic year.
- Collated reports of the various activities conducted by departments, committees, cells, associations, units etc. for the respective academic year.
- Conducted Professional Assessment of B.C.A Department on 25/02/2017 through external experts on curriculum, facilities, student aptitude, faculty assessment etc.
- Evaluation of Canteen Facility conducted based on stakeholder feedback and submitted to management. New contractor appointment planned by management.
- Entered into MOU's with 07 institutions/ agencies for knowledge/skill development etc.
- CCTV and surveillance devices used as a mechanism for better security; and as a control/discipline tool.
- Meetings with HODs and teachers for planning out and drawing of Proposals for Infrastructure redevelopment under RUSA. First cycle funding of Rs. 1 Crore received.
- Proposal to management for automated lift for differently-abled students/visitors and senior citizens; and for upgrading staff rooms.
- Work commenced on new multi-activity wellness zone (canteen facility to be named AGAPE) through management funding.
- Segregation of waste implemented- for dry, wet and recyclable waste.
- Streamlining of parking facility to improve discipline and functionality.
- Separate Internal Audit system for accounts and administrative activities.
- Conducted student's feedback on respective subject teachers, exit interview at the end of the academic year. After scrutiny and tabulation, the principal has one to one meetings with teachers.
- Work rotation introduced for some administrative office positions and for peons to ensure bench strength and smooth operations in absence of staff.
- Coordinated participation in inter-institution (five institutions under the same management) get-together program held on 22nd December 2016. It aims to increase interaction, brotherhood and to promote inter-institution cooperation and maximisation of facility use.

2.15 Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year *

The IQAC of the college facilitates, coordinates activities and guides all departments, committees, associations in disseminating activities that are aimed at enhancing and sustaining quality culture and deliverables in our institution. From the second half of the Academic year all activities of the college are divided as per NAAC Criteria Heads and supervised/coordinated by respective Criteria Heads who are members of IQAC. Thus, apart from the activities and events planned and executed by the IQAC independently, it also encourages/guides each and every department, committee and associations to plan and execute activities for each academic year. The plan of action and the outcomes are as follows:

PLAN OF ACTION AND OUTCOMES

Planned Activity	Outcomes
Coordinating with steering team and departments to ensure smooth conduct of activities/requisites during NAAC Peer Team visit from 29th-31st August 2016.	- Accredited with 'A' Grade in second cycle from earlier B++. - Accreditation has enabled sanction of RUSA funds for infra upgrade. First instalment of Rs. 1 Crore received.
Working to get additional enrolment of students for all streams through increasing visibility for the institution, word of mouth, and community outreach through all stakeholders.	Student strength increased over last year by 77 students, from 653 to 730; with 66% girl students; and 38% from socially disadvantaged sections.
- Encouraging innovative teaching learning experience. - Diverse methodology of teaching in class room to supplement the chalk and talk method including, model layout method, use of maps, discussion from news reports, paper presentations, book reviews, use of encyclopaedias and	- Effective supplement to the teaching-learning process and to help bridge the gap between industry and academics. - Effort to make the students vibrant and ready to face challenges and attune them to the dynamic, competitive global environment. - Enabling ICT for effective course

presentations using Audio Visual Aids etc. • Learner centric teaching methods such as hands on assignments, projects and surveys, to encourage independent learning among the students; inter class workshops, seminars, debates to build inter personal skills; and guest lectures by prominent personalities to develop an insight into the subject, provide industry perspective and exposing them to emerging trends and expertise in various fields etc. • Through Planning Forum of IQAC, Departments engage students in Hands on experiences, Field trips, and Industrial visits. • New upgraded college website as a one stop source for teachers and students to get information about the syllabus, lesson plans study notes, library resources, etc. The website extends access to other stakeholders. • Extended access to reference material, study notes through 'Moodle', emails, photocopies etc. Web resources used also as a means to engage learners. • Extended/Upended the provision of LCD projectors and screens to seven classrooms.	content delivery. • Learner centric approach using varied means to engage learners. • Extending access to outside stakeholders.
• Enhancing Curriculum and provisions to ensure Academic Flexibility. • Teaching plans are prepared with an extended syllabus to supplement the University Curriculum by integrating complementary material especially current in nature to the courses prescribed; innovative projects, and assignments with emphasis on hands-on experience are added; Seminars, conferences, workshops, and guest	• System of extended syllabus while supplementing the University Curriculum enables academic flexibility at the institution level, which helps in enlarging student awareness and expertise in curriculum related knowledge components. • Extending benefit of choice based credit system; will enable enrichment of course in tune with national universities; and seamless horizontal

lectures are conducted to tackle a range of topics/areas in order to enlarge student awareness and expertise in curriculum related knowledge components. • Syllabi ready for new CBCS of Goa University for B.A and B.Com. To be implemented from next Academic year. • Following new enhancement courses/programs added/conducted: Skill based- 18 Foundation Courses- 03 Career-oriented-11 • Eight value education sessions incorporated into the timetable per semester, to be conducted by the class mentors/resource persons on pre-defined topics. • Daily Newspaper- The Goan provided in every classroom/staff room for current updates.	movement. • Giving students access to new enhanced courses/programs help to build skills, attitude, confidence and employability. • Promoting vision and mission of the institution and national goals by imparting appropriate value education. • Supplementing the teaching-learning process, and helping to bridge gap between curriculum- industry- current economic-socio-politico situation.
• Initiatives for slow learners and absentees to cover the portion / catch up with the class; and other means for fast learners and weaker sections. • Regular remedial classes for weak students, absentees etc from all classes as per schedule. • Book bank facility extended to 30 economically weaker students. • 63 beneficiaries from weaker sections benefited from Additional Library card. • Included Gender studies, Environmental studies, Human Rights, Population studies, as optional subjects. • Involving advanced learners in peer group sessions, presentations, seminars, quiz contests etc. and mentoring them to refer to additional reading material -	• Overall improvement in results of students. • Book bank facility and additional Library card for the economically/ socially weaker students has enhanced inclusiveness and access; and has promoted better performance. • Optional subjects specially chosen to encourage inclusiveness and awareness of issues facing nation. • Enhanced intellectual capability of advanced learners, engaged them in challenging activities; helped them in goal setting, and increased their awareness about their capabilities leading to better clarity about future career goals; and ensured improved grades, and better performance in competitions and events.

reference books, journals etc. Grooming them to compete with students from other institutions. They are also given challenging questions to be solved and topics to research. • Policy encouraging Departments to make teams for assignments/projects having members comprising slow, average and advanced learners. This is proving to be very effective as self-motivated advanced learners are motivating other members of the team resulting in better outcomes for all. • Providing additional Library card for First class/ Distinction students.	• Engaging advanced learners to teach fellow students has made them confident, encouraged them to learn more referring to reference books, the internet and other sources of information; thereby improving their performance; while also improving performance of peers. • The success of these measures are reflected in the transformation in all students, leading to achievement of higher grades, improved performance in project work, assignments, paper/ seminar presentations etc Also a healthy feeling of camaraderie among all learners in the classroom, gender sensitivity and overall conducive environment for the growth of the students and institution.
• Enhancing monitoring, evaluation and other systems for better transmission and control; and improve dissemination of information. • Internal quality assurance mechanism fully functional with involvement of all the members of the teaching and non teaching staff. Orientation done of staff and students through IQAC members on quality standards. • College committees reworked for academics, co-circular and extra circular activities. Each group of committees to be headed by NAAC criteria head. Management representatives to oversee each cluster of committees. New Reporting Formats introduced, to be maintained along with documentation. • Quality Circle working on 'Improving Curriculum Delivery and Transmission' including revising lesson plan and	• Functional IQAC ensuring better systems, improved monitoring, and evaluation thus enabling maintenance of high quality standards in all the processes and operations of the institution; and optimum use of resources. • Streamlining of academics, co-circular and extra circular activities under committees has enabled effective performance, and with each group of committees headed by NAAC criteria head, it has ensured that the work is carried out as per vision/mission and laid out quality parameters and proper with proper reporting and documentation. Since Management representatives oversee each cluster it has enhanced; management role in extension work of the college; in obtaining inputs of management for better functioning; and in improve

execution format, and various feedback formats and systems. Several proposals forwarded to Principal/Management. • Think Tank formed within the IQAC, to come up with quality improvement suggestions and strategies. • Task Force formed to work effectively towards tie ups with Universities and other relevant institutions; and to sign MOU's and undertake formalities as required. • Internal Audit through trained management personnel for accounts and administrative activities conducted for better monitoring and evaluation of accounts/activities. • Academic Performance Indicator (API) based self appraisal form used to capture information on multiple activities carried out by the staff. • Conducted student's feedback on respective subject teachers, exit interview at the end of the academic year. • Effective use of LED Digital Display board, Public Address System, and CCTV. • Extension of SMS facility to new students/ parents for monthly attendance of students, college events, placement opportunities, special/extra classes, recruitment drives, career guidance programmes etc: • Extensive use of social media to publicise institutions events/programs. • Conducted Professional Assessment of B.C.A Department on 25/02/2017 through external experts on curriculum, facilities, student aptitude, faculty assessment.	overall monitoring and evaluation. • Several measures introduced for improving curriculum delivery and transmission like revising of lesson plan and execution format; feedback formats for department/committee reporting; and other systems. This has enabled to improve work monitoring, academic evaluation, teacher evaluation, exit evaluation and overall curriculum delivery and transmission. • Internal Audit of accounts and administrative activities has improved monitoring and evaluation of accounts/ activities, which has increased transparency, optimised performance, enabled cost cutting measures. • The API based self appraisal form encouraging teachers to work with renewed zeal in all areas of self development. Performance report analysis enables transparency and unbiased progression initiatives. • Student's feedback on respective subject teachers, exit interview has enabled enhancement and corrective measures and infra upgrade. • LED Digital Display system effectively used to enhance dissemination of information to students and staff for scheduled events of the day; exam work; imparting knowledge; promoting values; congratulating achievers etc. • SMS facility is enabling transformation of information to students/ parents on monthly attendance of students, college events, placement opportunities, special/extra classes, recruitment drives, career guidance programmes etc: • Extensive use of social media enabling effective publicity of the institutions
--	--

• Evaluation of Canteen Facility conducted based on stakeholder feedback and submitted to management. • An Administrator from management side has been appointed for the college to monitor and enable smooth functioning; in addition, the Chairperson of Xaverian Education Society, the head of the management, interacts with principal and staff and provides guidelines during visits. Two visits were made by the Chairperson in the last academic year one at the start on 18/06/16 and one in the second term on 13/01/17.	• events/ programs. • CCTV and surveillance devices has enhanced security; and aided control/discipline tool. • Entered into/renewed MOU's with 7 institutions / organizations • Professional Assessment of B.C.A Department has enabled upgrading of systems, procedures, facilities, programs. • Based on evaluation of Canteen appointment of new contractor planned by management. • Appointment of Administrator is enabling day to day monitoring by management and smooth functioning and better decision making. Top Management visits are further enhancing the monitoring-evaluation process, ensuring better control; and improved dissemination of information.
• Initiatives for enhancement of critical thinking, scientific temper, global outlook as well as community and neighbourhood outreach. • Emphasis on promoting original and critical thinking is an integral part of institutions mission and culture and hence skill enhancement courses/enrichment programs/events organised by various departments/cells/ clubs with these objectives in mind. • Talent Search conducted at the beginning of the Academic Year. • Research based assignments and third year projects are provided to students; with topics based on globally relevant issues and events. • Students encouraged and funded to	• Talent Search has armed faculty members/mentors with data to enable them to work as agents to unleash and tap creativity among the students, and thereby enabling growth of students as thinkers, doers and innovators. This process has helped in encouraging holistic growth and expanding students horizon beyond mere academics, by promoting their innovation, drive and enthusiasm, which can be seen in their improved performance, in inter and intra mural activities and events – academic, extra-curricular and sports. • Carefully chosen Assignments and Third Year Projects, is encouraging in students critical and free thinking, enabling creativity and scientific temper, and promoting research capabilities.

attend seminars and workshops, participate in camps and contests all over the state/country. • Tie ups with leading industrial houses like D-Link, SAP, Quadros Group etc. • Collaboration formed with NGO's, Industries organisations and for enrichment and awareness programs. • Several programs like, Influence 2016, APJ Conference for Livable Planet, Creative Vision, Community Oriented Skills Training, Okdaam, Teenager Orientation Program, Exhibition of Technology Innovations for joyful living, Theatre Project, Choral Group, conducted by C.R.E.S.T- Centre for Research & Excellence between Society & Technology during the Academic year. • Field visits/excursions conducted by various Departments.	• Increased student participation in camps, contests, seminars and workshops, etc has helped to broaden perspectives; enable experiencing of other cultures and ways of life; in addition to, building competitive spirit and aspirations. • Tie ups with industrial houses, has helped to bridge the gap between industry and campus. • Collaboration with NGO's has enabled increasing community and neighbourhood outreach. • C.R.E.S.T programs have a direct impact in promoting scientific and critical thinking; encouraging drive for excellence; promoting research; developing industry-institution interface; increasing community and neighbourhood outreach; and promoting entrepreneurship capabilities and life skills in students. • Field visits/excursions encouraging learning by first hand witnessing/doing; and enabling in broadening outlook of students.

2.6 Innovative processes adopted by the institution in Teaching and Learning:

- Pre course test conducted in the beginning of the academic year for the First Year BA and BCOM students to enable teachers to assess new entrants' knowledge in respective subjects. This enables the faculty to prepare/tune their teaching module to cater to diverse levels of understanding/grasping of students in each subject.
- Orientation given to the students in the beginning of each semester by respective subject teachers on course content, methodology of teaching and execution plan, the pattern of continuous evaluation/ final examination etc.
- Each subject teacher prepares semester wise lesson plans (with week wise execution plan of the portion and its references) which is made available to the students in the beginning of the academic year. It is also uploaded on Moodle and copy is made available in the library. Keeps students engaged in other activities/on leave to keep abreast of syllabus completion schedule.
- Diverse teaching methodology including for evaluation, such as case studies, role plays, group discussions, model making, oral and written quizzes, power point presentations, mini-projects, multimedia presentations (documentary, short videos) etc. followed.
- Guest lectures and interactions are conducted by departments in the respective subjects. External faculty/experts are invited to share experience/deliver lectures to enhance syllabus component/ give current perspective/ help in progression.
- Seminars, and workshops, organised for students in the college on diverse topics. Students also encouraged and funded to attend workshops/seminars organised by other institutions. The faculty also accompany students for workshops/seminars organised by other institutions. This has enabled students to gain additional knowledge/skills in their respective subjects/ diverse areas.

- Educational trips, field trips, industrial visits, excursions etc. arranged to enhance practical knowledge of students in respective fields.
- Newspapers are provided in each classroom to instil reading habits among students and to keep them abreast of current happenings all over the world. Also enables teachers to use news reports in their respective subjects as a case study in class; as well as to give assignments for evaluation and knowledge/skill enhancement.
- Use of ICT in teaching learning process in addition to Chalk and Talk method.
- Learning management systems in place such as, Moodle and Cloud technology/Google drive to make learning material available to the students.
- Supplementary study material (additional references, power point presentations, concept maps, hand-outs etc.) provided through hard copy/soft copy to the students.
- Photo copies of questions/problems to be solved in the next class; and required study material etc. provided in advance by Subject teachers.
- All staffrooms are provided with power points, internet connectivity and Wi-Fi facility. This has enabled the faculty to conveniently prepare for the lectures.
- Updated computer laboratories with required software have also enhanced teaching learning process.
- Remedial classes by the respective subject teachers are conducted for weaker students, slow learners, absentees etc. The classes are conducted as per the schedule or on need basis.
- SMS are sent to the students regarding attendance, college events, placement opportunities, special/extra classes, recruitment drives etc.
- Career oriented (Tally, DTP), credit-based (Library services, Computer Garage : Maintenance and Repairs), certificate courses (Computer Hardware, Library and Information Science) conducted to provide additional skills to the students to gain employability.
- Hands on training given to the students through placement for work experience within college such as library, office etc.
- Initiatives in place to provide internship programmes for students with the industries, commercial institutions, neighbouring banks, etc. to gain hands on experience.

- Regular seminars, workshops, and faculty development programmes on various topics organised for teachers; teachers also encouraged and funded to attend workshops/seminars organised by other institutions/ as well as to undertake training/orientation/refresher programmes/courses to enhance knowledge/skills and the teaching- learning process.

2.7 Total No. of actual teaching days during this academic year: 180 days

2.8 Examination/ Evaluation Reforms initiated by the Institution (for example: Open Book Examination, Bar Coding, Double Valuation, Photocopy, Online Multiple Choice Questions)

- The college has established an examination committee for the smooth conduct of the regular/supplementary exams and internal evaluation. Examination and evaluation process are carried out as per the guidelines of Goa University.
- The college follows the continuous evaluation system as per the rules prescribed by the Goa University. The evaluation process is divided as intra semester evaluation and end semester evaluation. Internal evaluations are conducted subject wise by respective departments. Internal evaluations and end semester assessment for First year and second year of all streams are conducted by the college.
- The Exam process is fully computerised with customised software that allows the marks to be entered for the current student as well those who have backlogs, generate mark sheets (for the first and second year exams which are conducted by the college as per guidelines of Goa University), control sheets etc.

Several reforms have been initiated such as:

- Zero Defect Form introduced for supervisors to ensure no errors occur in answer sheet management at each exam.
- Exam Supervision schedule reworked to ensure better streamlining of supervision, especially during holidays.
- On job lunch organised for Exam committee staff to ensure better management of exams within time constraints.
- Internal evaluation for ISA in the form of multiple choice questions, short answers questions, long answers questions, presentations, assignments, online assignments etc.
- Recounting of Marks for each question and totals rechecked for all exams/papers conducted by the college to ensure correct marks entered for each student.
- In cases where the students have grievances with respect to the marks scored in

subjects, re-evaluation and verification is carried out as per the rules of the Goa University. Re-evaluation process for exams conducted by the college is a transparent process whereby the students can access their answer scripts in the presence of the principal at a scheduled time.

- LED Digital Display board used to give updated exam schedules and seating arrangements.
- Copy of the past question papers in all subjects are made available in the library to the students.
- Photocopy facility available for students to photocopy questions papers of end semester exams.
- Question banks made available to students in each subject and discussed in class.

2.9 No. of faculty members involved in curriculum restructuring/revision/syllabus development as member of Board of Study/Faculty/Curriculum Development Workshop

04

2.10 Average percentage of attendance of students: 80.19

2.11 Course/Programme wise distribution of pass percentage :

Title of the Programme	Total no. of students appeared	Division				
		Distinction %	I %	II %	III %	Pass %
BA	55	03	10	20	07	72.72
BCOM	90	03	16	39	15	81.11
BCA	16	10	04	02	-	100.00

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes :

- Working out systems for quality up-gradation of various aspects of teaching-learning

methodology like pre -course test guidelines; new methodology/pedagogy, encouraging hands on experience initiatives, guest lectures, class seminars etc.

- Providing guidelines and coordinating teaching-execution plans to ensure enhancement of course content with-in syllabus prescribed by Goa University.
- Devising and coordinating knowledge/skill development programmes and career oriented programmes.
- Coordinating third year research projects, encouraging topics to enhance career skills.
- Conducting Orientation for new students and newly recruited teaching faculty.
- Coordinating value education classes and monitoring feedback.
- Monitoring execution of the academic time table.
- Monitoring of the lesson plans and execution plans. Ensuring the completion of syllabus, and the execution of the lesson plan; counter checking and sending for overall evaluation of principal/administrator.
- Coordinating department evaluation of the performance of students at the end of the semester/academic year and recommending improvements for implementation.
- Monitoring of evaluation/examination process.
- Devising guidelines and coordinating remedial classes and advanced learner initiatives.
- Conducting student's feedback teacher/ subject-wise at the end of the academic year and other stakeholder feedback. Scrutiny, tabulation, and analysis done and submitted to the principal for improvement/corrective measures towards teaching-learning-evaluation.
- Coordinating mentor meets and interactions with their respective class students. Obtaining feedback and recommending improvements for implementation.
- Conducting regular seminars, workshops, for students and teachers; and faculty development programmes on various topics to enhance knowledge/skills and the teaching- learning process.
- Auditing and recommending increase/upgradation of teaching and learning aids/resources in classrooms/labs/library/staffroom etc.
- Budgeting for planning forum; and funding and monitoring events/activities of departments related to knowledge/skill enhancement.

3. Research, Consultancy and Extension

3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution:

- In order to inculcate research culture among the faculty and students, a research and development committee has been established. It promotes various research related activities such as workshops, publishing yearly in-house research journal, training etc. The committee is working towards converting the journal to an online journal with ISSN number.
- The IQAC informs and circulates details on various research projects/ grants available under UGC and other research funding agencies. The faculty is encouraged to apply for minor and major research projects under UGC or other research funding agencies and facilitation as required provided.
- Orientation on Research Methodology conducted for students from time to time.
- Inviting experts/ researchers of eminence to visit the campus for guest sessions/ interactions to encourage staff and students towards research.
- Conducting research analysis up-gradation courses/sessions for staff/ students.
- The faculty is encouraged and funded to participate in State, National and International conferences, seminars, symposia, workshops etc.
- The faculty is encouraged to present and publish their research work in refereed journals at state, national and international conferences, seminars and symposia.
- Taking initiatives for awareness/and transfer of findings of research of the institution to students and community at large, through publication, college presentations, and submissions to government/concerned authorities.
- The faculty is encouraged to pursue doctoral and post-doctoral programmes on full time or part time basis.
- Free internet service and computer scanner, printers, photo copiers are available for the researchers in the computer lab.
- Membership of N-List programme of Library and Information Network (INFLIBNET) extended to new staff and students to take advantage of access to more than 2100 e-

journals, 51000 e-books; also training provided to access bibliographic database.

- The students are encouraged and prepared to participate in inter-class/inter-collegiate seminars, workshops etc.
- The college also has a Full-fledged Research Centre in Commerce with 03 Ph. D students.
- The students are encouraged to present papers in their related areas at inter-class and inter-collegiate seminars. The faculty assists the students in the preparation of the paper to be presented.
- Conducting orientation programme/sessions on Project work for TYBCOM and TYBA students on research guidelines of university and other topic wise methodology issues; and coordinating third year research projects, encouraging topics to enhance career skills and monitoring the execution plans of the projects.
- Proposal made to management for allocation of regular budget for research to build research infrastructure and conduct more activities.

3.26 Major Activities during the year in the sphere of extension activities and Institutional Social Responsibility:

- The NSS Unit conducted a Tree Plantation drive in collaboration with the Pilar Agricultural Farm on 3rd August 2016. Cashew saplings were planted at the Pilar hill. 55 NSS Volunteers participated in contributing towards conserving nature.
- The NSS Unit of the college conducted campus cleaning and community cleaning on 25-08-2016 and 26-08-2016. In all 260 NSS volunteers participated in the two day activity.
- The NSS Unit organized a cleanliness drive by Staff and Students and NSS Volunteers in the college campus and surrounding area on 2nd October as part of Gandhi Jayanti celebrations and the on- going Swatch Bharat Abhiyan.
- The NSS Unit of the College conducted Election SVEEP Activities under the leadership of Mr. Ashwin De Souza Program Officer and Nodal Officer for 14- St Andre Assembly Constituency on 24th Sept 2016, the activities conducted included: Poster Making Competition on “Right to Vote”; Voter Enrolment Awareness Rally; and Voter Enrolment form filling for students
- The NSS volunteers prepared Cloth and Paper Bags and distributed them in their local area shops and neighbours as a measure to curb the use of plastic bags as part of plastic free neighbourhood campaign of the college.
- As part of plastic free neighbourhood campaign of the college, the NSS volunteers of the College collected Plastic bottles (100 per Volunteer) and Plastic Milk Packets (1kg Per Volunteer) Drive. Students were required to collect plastic bottles and milk packets from their neighbourhood and submit the same at the college unit. The same was later disposed off to the authorities.
- The NSS volunteers’ conducted several activities like cleaning, awareness campaigns through door to door visits and street play etc during the NSS special camp conducted at Collem, Goa. 100 number of volunteers participated in this special camp.
- The NSS unit of the college held a voluntary blood donation camp on 22/03/2017 in the college campus. 32 number of students donated blood. During the blood donation camp students were informed about the regarding AIDS virus and the precautions to be taken during blood donation to avoid being infected.
- The NSS unit of the college held a health check-up in association with CMM polyclinic and American Heart Foundation was organized on 8th and 9th Dec, 2016 in the college for the benefit of the staff and students. Two doctors namely Dr. Peter Carvalho and Dr Kreda Fernandes along with a nurse organized the same. Around 120 students availed of their health checkup and got expert medical advice.
- Medical outreach programme involving Weekly Free Medical Check-Ups through two trained Nurses conducted for senior citizen in neighbourhood. Facility extended to elderly members from local area.
- Though the Centre for Research and Excellence between Society and Technology (CREST), organised OKDAAM on World Day of the Sick- February 11, 2017, to promote growing and use of Traditional Medicinal Plants in kitchen gardens. Program extended to local community.
- The Sociology Department conducted a First Responder programme on 19/08/2016, 29 students were trained in first aid and related emergency response.

- The Departments in of Economics, History, and Political Science organized a study tour during Diwali break from 16th to 22nd November, 2016 to Hyderabad, Telangana. The staff and students visited some prominent places. The idea was to promote national integration and to make Goan students aware of cultural, institutional and economic activities of people from a different state.
- A Financial Inclusion drive was organized by the Dept. of Economics along with the students from 25th July 2016 to 14th August 2016. People were helped to enroll for the PMSBY (*Pradhan Mantri Suraksha Bima Yojana*). This scheme can be availed of by any individual within the age group of 18 to 70 years of age, by paying an annual premium of Rs. 12 per annum. Under this drive, 213 people enrolled.
- The Dept. of Economics along with the students organized a Financial Inclusion drive as a Social outreach initiative from 25th July 2016 to 14th August 2016 to enroll individuals within the age group of 18 to 50 years of age for *Pradhan Mantri Jeevan Jyoti Bima Yojana*, a death insurance scheme. In this scheme 10 persons enrolled.
- The Dept. of Economics as part of World Population Day on 11th July organized an Awareness Campaign on the country's population scenario by created attractive posters depicting the problems of population and solutions to combat it, which were then displayed at various prominent places in and around the neighbourhood of the college.
- 28 students from all the departments of the college were deputed for a 'Youth Dialogue', an open discussion with Aam Admi Party (AAP) president and Chief Minister of Delhi Mr. Arvind Kejriwal, at Ponda on 29th June 2016 to give them first hand interactive skills with a prominent political leader and to create political awareness in them as flag bearers of the communities they live in and to act as opinion leaders in their own community.
- The NCC Naval Unit of the college took part in Miramar Beach Cleaning Drive organized by 1Goa Naval Unit and 1 Goa Girls Batallion St. Cruz in the month of Sept, 2016. 19 students participated.
- The NCC Naval Unit of the college conducted Dowry Awareness Oath Session for 25 SD NCC Cadets and the cadets were encouraged to spread the message of the evils of dowry to their neighbourhood while pledging not to take dowry and discourage family and friends from doing so.
- In order to promote the national language Hindi, Hindi Dept. along with Nehru Yuva Kendra Panaji, organized a Hindi solo Singing competition on 27th September on the eve of celebration of the Hindi *Pakhvada Divas*.
- College acted as the centre for 'B' Certificate Exam for four colleges of Goa, held on February 11 & 12, 2017. 84 students appeared, out of which 16 Cadets of our college appeared for the 'B' Exam. Associate. Professor. Santosh Chyari, NCC Officer was appointed as Board Member & Conductor of the 'B' Certificate Exam.
- Associate. Professor, Santosh Chyari, NCC Officer was also appointed as Board Member for 'A' Certificate Exam held on February 26, 2017. A total of 17 cadets appeared for the exam.
- Sports Festival highlighting traditional games of Goa held on February 23, 2017 for college and Higher Secondary students across Goa. Aim to keep the interest of these

traditional games alive among youngsters while also encouraging playing of outdoor games and physical activity. 6 teams participated.

- To encourage people's participation and awareness in contemporary issues, a Media panel discussion as part of INFLUENCE 2016- July 07, 2016, on the topic "What do we communicate in media today?" was organised involving prominent media personnel including, the Editor of Gomantak Times Mr. Shashwat Gupta Ray, Mr. Rockey Lazares, Mr. Gerard De Souza Sub-Editor of The Goan, Mr. Rohit Vadkar from Prudent Media, Dr. Freedy Fernandes from Prime TV. The Moderator for the event was Mr. Jovito Lopes. Students, staff and civil society participants gained valuable insights into issues facing media.
- As part of neighbourhood outreach, Faculty and Students of the college conducted a survey on performance of various village panchayats and as part of Ground Zero – September 09, 2016, a presentation chaired by Dr. Gervasio Mendes, was made on "Performance Case Studies of Village Political Governance in 14th St. Andre Constituency," in the presence of political representatives. Following the presentations, there were group discussions on public administration, national resources and public amenities which were facilitated by the dignitaries present. The outcome of the group discussion was resolutions that were formulated by the students on issues of public administration, sanitation, garbage disposal, etc.
- The crew including the Director Dinesh Bhonsle of the film 'Enemy' (based on The Enemy Property Act of 1956, which affects Goans born in Karachi, Pakistan), were given a platform for an interactive session with the staff and students on 8th December 2016. The session helped in creating awareness among participants on this issue affecting many relatives of persons from Goa.
- As part of the one day UGC sponsored National Seminar on 2nd August 2016, two panel discussions on Rights of Women and on Rights of Children was organized involving a panel of experts from statutory bodies, academia and NGO's. 120 participants consisting of lecturers, students and civil society members from across the state were sensitized on these important issues especially the violation of rights and the difficulty in getting recourse at times for these vulnerable sections.
- The college along with Kripa Foudation, Anjuna, Bardez- Goa, an NGO, organized an interactive session on 4th of August 2016 in the college hall on the topic "The Evils of alcohol consumption and drugs". The resource person invited was Mr. Paul Noronha and his group, 130 students participated for the same.
- Value Education Cell and the NSS unit of the college organized a Workshop on Ethical Voting to mark national voter's day on 25th January, 2017. Mr. Asif Sheikh, Social Activist and Entrepreneur, was the resource person.
- On World Integrity Day, 10th February 2017, Value Education Cell conducted a session on Value of Maintaining Integrity and administered the Oath of Integrity in respective classes.

4.2 Computerization of administration and library:**Administration**

- The administrative work is fully computerised specified software are installed as required.
- Internet/ Wi Fi connectivity available for the administrative staff.
- Examination related work is fully computerised.
- Computerised student database is maintained.

Library

- Library is fully computerized since June 2005 with NewGenLib library software and has an online catalogue.
- All the documents, reader's identity cards are bar-coded.
- Online Public Access Catalogue (OPAC) system in place: The users can search through the library catalogue, booking and renewal facility, information of new arrivals etc.
- Issue and return of books, stock verification etc. are recorded using library software.

- The readers are also contacted through emails.
- New Library Web site operational. In the website, all library information about the e-resources, institutional repository such as old question papers, curriculum, power point presentations etc. are provided.

4.3 Library services:

4.5 Computer, Internet access, training to teachers and students and any other programme for technology up gradation (Networking, e-Governance etc.)

- Laptops given to the teachers with free internet facility in order to use ICT facility in teaching
- Computers with free internet connectivity facility are available for the faculty and administrative staff.
- Language lab for soft skills training has been installed.
- Separates LAN's are available for office, computer laboratories, library
- Computer systems and other peripherals available in the library for executing and handling library services.
- Well equipped computer laboratories along with free internet facility available for students to carry out their assignments, project works and other related work..
- Training given to the faculty in the use of language lab software.
- Basic training facilities are provided for the faculty and students to use of OPAC and INFLIBNET N-list.
- Examination related activities are also computerised for generating of collated results sheets, collating results, notices, individual mark sheets etc.

Training for faculty for certification programmes by D-Link Academy, Mumbai in order to conduct Networking courses for the students.

4.6 Amount spent on maintenance in lakhs

iii) Equipment	0.65 Lakhs
iv) Others	5.79 Lakhs

Total : : 7.10 Lakhs

Criterion – V

5. Student Support and Progression

5.1 Contribution of IQAC in enhancing awareness about Student Support Services:

Admission process:

- The IQAC has set up a transparent admission process that is based on our vision of ‘education for all’. Students are admitted on ‘first come first serve’ basis. The college even admits academically challenged students.
- A detailed , up-dated and user- friendly Prospectus is issued detailing courses offered, activities and student support services and other relevant data.
- Print Media, website and social media are used for imparting information to prospective students.
- Visits to feeder institutions conducted to appeal to prospective students.

Orientation programme for First Years:

- IQAC along with class mentors conducts orientation programme for first years at the beginning of the academic year. Information imparted:
- Aims, Mission, Objectives of the college
- Facilities provided in the college
- Conduct of classes
- Examination/Evaluation Process
- Discipline, Attendance
- Extra-circular activities, Sports etc.
- Any FAQ’s raised by students.

Orientation programme for Foreign Students:

- IQAC conducts orientation programme for Foreign Students at the beginning of the academic year. Information imparted:
- General information on India and Goa especially cultural aspects and do’s and don’ts
- Aims, Mission, Objectives of the college
- Facilities provided in the college
- Conduct of classes

- Examination/Evaluation Process
- Discipline, Attendance
- Extra-circular activities, Sports etc.
- Any FAQ's raised by students.

Mechanisms in place for effective awareness about Student Support Services:

- A detailed and up-dated College Prospectus.
- Class Mentor interactions.
- Class interactions by Principal.
- Student Council Meetings.
- Parent Teacher Association meets and open house days with parents.
- Alumni meets and interactions.
- An operational, updated website.
- Notice Boards including separate boards for Department and cells.
- Notice Board in each Classroom.
- SMS facility for real time information flow.
- Digital Display Board with 50" LED TV
- Public Address System in each classroom, other places.
- In-house college news bulletin 'Happenings'.
- Direction Boards and placards are placed to offer easy identification.
- Use of Facebook and other social media platforms.
- Advertisements and Press Releases from time to time.
- Library website, OPAC, INFLIBNET N-list.
- IGNOU Notice Boards.

5.2 Efforts made by the institution for tracking the progression:

- Career Advancement Committee along with Department Heads and Mentors tracks the progression of the ex-students to higher education/employment etc; and is responsible to maintain database.
- The Alumni Association has also set up a system through personal contacts, social media etc to track the progression of the ex-students to higher education/employment etc. Data

is forwarded to the Career Advancement Committee.

- Performance of students in various areas is tracked by respective departments at the end of each semester/academic year. Departments are responsible to create and maintain a data base. Accordingly plans for improvement/ plugging loopholes are formulated for the next semester/ academic year.
- Overall semester/academic year performance and internal evaluation are regularly appraised to the students and are displayed on the notice board to keep students updated on performance.
- Parents are informed in open house about student performance and parents support sought to enhance performance/ indentify reasons for weak performance.
- Counselling sessions conducted by a professional counsellor, class mentors on time to time basis has also helped in tracking issues regarding reasons for weak performance.
- Remedial coaching and mentoring/counselling provided to support weak students for up-grading performance and to avoid drop outs.
- Each subject teacher prepares plan within teaching plan for slow learners/weak students/absentees etc.

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision:

To provide quality higher education to all, including the socially, economically and academically challenged students and through honest toil build successful citizens in all walks of life who will sustain the ethos of our great country through imbibed values of truth, love and justice for all

Mission:

- To promote quality education without discrimination
- To inculcate in students the value of hard work as a stepping stone to success
- To enrich in young men and women the value of truth, love and justice for all
- To inspire students to use their knowledge as an instrument of social change
- To build a pool of successful citizens in all walks of life

6.2 Does the Institution have a Management Information System.

Yes. MIS Reports on Academic related activities like admission, attendance, results etc generated from time to time.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

- The college is affiliated to the Goa University therefore follows the syllabus set by Board of Studies in respective subjects. As and when the update/revision is informed to the college by the Goa University, the college implements the same.
- Some of our faculty members are currently members of the Board of Studies in their respective subjects have contributed to framing/revising of the existing syllabi.
- Some of our faculty members also participated in the workshops to review

the existing syllabus organised by the department of Goa University and other institutions.

- Considering the existing industry/market demand, the college has introduced various career oriented courses, certificate courses, and training programmes, internship programmes to enhance the additional skills needed for by the students to gain employment.

6.3.2 Teaching and Learning

- The academic calendar informs the students of the various activities and events to be held on the college which are made available in the prospectus.
- Each subject teacher prepares semester wise lesson plan (with week wise execution plan of the portion and its references) which is made available to the students in the beginning of the academic year. It is also uploaded in Moodle and copy is made available in the library.
- The college promotes student centric learning by providing ICT facilities and encourages faculty to use the same.
- Guest lectures are conducted on various topics of respective subjects to students which cater to a wider perspective to the related topic.
- Field trips, industry visits, excursions, study tours during vacations are also conducted.
- Assignments are given in the form of case study, role plays, models, videos, student presentations, class discussions, quizzes, films etc.
- The students have attended/participated in interclass and intercollegiate seminars and workshops and other events.
- Fast Learners are engaged as resource persons to teach school students from neighbouring schools under extension activities.
- Faculty Improvement Programme is conducted per semester to empower the teachers with new methods on teaching and other related areas.
- Feedback is conducted on respective subjects of teacher's evaluation at the end of each academic year and corrective measures are taken to modify/improve on the teaching methods.
- Organised seminars, workshops, guest lectures for faculty and students.

6.3.3 Examination and Evaluation

- The tentative dates of examination schedule for all streams are informed to the students in the beginning of the academic year.
- Since it is a continuous evaluation system, we adopt various methods to conduct internal assessment like tests (objective, long, short questions-answers), assignments (presentations, case studies, open book tests, quizzes etc.)
- For totalling of the final marks for internal assessment, the best scores are selected. The student failing to perform well, are given re-tests on time to time basis. The performance of the students is communicated to parents.
- The internal evaluation of the various subjects is regularly appraised to the students and displayed on the notice board.
- The exam evaluation is a transparent process wherein the students can avail of revaluation and re-verification services as per the Goa University ordinances.
- In order to handle mal-practices, the college has established an Unfair means committee.
- The project work carried out by Third year students (individually/group) in their respective subjects as a part of the curriculum enhances their research skills, gains extra knowledge, helps in team building and acquires leadership qualities.
- The computerisation has ensured the easy conduct of examinations and timely declaration of results of first year and second year students of all streams.
- Exam related matters such as timetable, payment of fees etc. informed and displayed on the notice boards to students well in advance (one month prior).
- Question banks and copy of the past question papers in all subjects are made available in the library to the students.

6.3.4 Research and Development

- Research Centre set up in Commerce with Ph D guide from college. Three students pursuing Ph D at present.
- Details along with application forms which are sponsored through UGC grants and other research funding agencies are made available to the faculty.
- Established Research and Development Committee to promote various research related activities such as workshops, training etc, publishing yearly in-house research journal (ANCHOR). Applied for online journal with ISSN.
- The faculty is encouraged to participate in State, National and International conferences, seminars, symposia, workshops etc.
- The faculty is encouraged to present and publish their research work in refereed journals at State, National and International conferences, seminars and symposia.
- The faculty is encouraged to pursue doctoral and post-doctoral programmes on full time or part time basis.
- Adjustments of lectures, supervisions are done for facilitating research activities.
- The college also has a well-equipped computer laboratory with internet connectivity and library facilities to supplement in the research activities carried by faculty and students.
- The students are encouraged to participate in inter-class and inter-collegiate seminars, workshops etc.
- The students are encouraged to present papers in their related areas at inter-class and inter-collegiate seminars. The faculty assists the students in the preparation of the paper to be presented.
- As per the curriculum designed by Goa University, the Third Year students have to compulsorily submit a research project in their related stream. The faculty is assigned to guide the students individually or in groups to complete the same.

6.3.5 Library, ICT and physical infrastructure / instrumentation

Library:

- Fully computerized and bar-coded.
- Availability of open access facility for searching of books, journals etc.
- Availability of the INFLIBNET N-list services to the users
- Classifications and cataloguing is done as per international standards for all library documents.
- Regular updating of books, addition of journals, reference books and other resources on the basis of the suggestion made by the faculty and students.**
- Regular updating of library software is to include new features; therefore provide ease to the users.
- Regular binding of old issues of magazines, journals and other reference books
- Separate section for career guidance, competitive examinations, local history and donated books.
- Availability of book bank facility for economically backward students.
- Additional library cards provided for scholar students, SC, ST and OBC students
- Availability of the library services and resources for general public.
- In addition to the above services, Department of Library and Information Science :
 - Conducted Certificate course in library available for general public approved by Directorate of Higher Education, Government of Goa, of 4 months duration (3 months theory/practical's and 1 month Job training).
 - Conducted Credit based course in Library Science is introduced for college students. The student is required to spend a minimum 25 hours in the academic year (without missing the regular lectures) under the guidance of the college librarian.
 - Organised Book exhibitions on special occasions
 - Organised Field trips for students to various major libraries around Goa
 - Selected students of the college are trained by the department to for data entry of the books and other services and are deputed to the same in other libraries in Goa under the *Earn While You Learn* scheme
 - Provides career guidance for students
 - Consultancy services provided to various libraries in Goa
 - Training on information literacy for faculty, students and general public

ICT

- Fixed LCD projectors and screens available in all classrooms and laboratories in addition to this, two portable LCD projectors are also available.
- Wi-Fi facility in the Campus
- Use of Learning Management Systems (Moodle)
- Laptops available for staff

Physical Infrastructure/Instrumentation

- Classrooms: 90% classrooms are equipped with LCD projectors, green chalk boards, dust free chalks, good quality benches, notice boards in each classroom, proper ventilation and lightning
- Computer Laboratories: Well-equipped computer laboratories with sufficient number of computers and latest software. Internet connectivity is available to all systems. Printer cum Xerox systems available for faculty and students. LCD Projectors installed in the laboratories.
- Sports: Availability of various sports equipments and accessories, separate store room available for sports equipments and accessories, sports fields for basketball, football, badminton, cricket etc., indoors sports rooms with indoor sports facilities, sports locker facility.
- Separate staffrooms based on each course, separate toilets for boys, girls and staff, NCC, NSS, Girl's Common Room, Sick bay, Staff Recreational Room, Prayer Room, Canteen, Counselling, IQAC etc.

6.3.6 Human Resource Management

Staff:

- The recruitment of full/contract/lecture basis faculty is done on the basis of the vacancies created and strictly adhering to the rules and regulations laid down by the UGC, Goa University and Directorate of Higher Education, Government of Goa.
- Administrative staff for permanent vacancies is recruited on the basis of the vacancies created and strictly adhering to the rules and regulations laid down by the Directorate of Higher Education, Government of Goa. Temporary vacancies for administrative work are recruited at institutional level on contract basis (yearly).
- Orientation given to newly appointed staff members on the nature of the job, work etiquettes, process of caring out, necessary documentations to be maintained etc.
- The staff encouraged to participate in seminars/workshops/training programmes/conferences to enhance their knowledge, work skills and also to attain career advancement.
- The faculty feedbacks are obtained and this creates a scope for improvement.
- Many welfare measures are provided for the staff.
- The Chairman and members of the Xaverian Educational Society are present on certain occasions and also interact with the staff.

Students

- The students are admitted in to the college as per the rules and regulations laid down by the Goa University.
- Apart from the student's regular academic schedule, they enhance their knowledge and develop their personalities further through the opportunities or participation in co-circular, extra co-circular, departmental, sports, NCC, NSS activities etc.
- In addition, student are given value education, counselling, Earn While You Learn scheme, career guidance, scholar ships (SC/ST/OBC/Minority) and financial aid to economically backward classes of students. Job opportunities are also given through campus interviews.

Other Stake holders:

- The college also involves all its stakeholders like parents, alumni, tie-up partners, and bankers etc. to be a part of all its activities. Suggestions from stakeholders are considered before implementation of any new system in college

6.3.7 Faculty and Staff recruitment

- The recruitment of faculty and staff is done as per the guidelines of UGC, Goa University, Directorate of Higher Education, Government of Goa and the Management of the Pilar Society.
- Staff recruited in this academic year:

Teaching Staff:

Assistant Professor

(Contract basis): **06**

(Lecture basis): **08**

6.3.8 Industry Interaction / Collaboration

- The college has a linkage with Quadros Group of Companies for all its activities of CREST.
- The college has maintained cordial relations with the industries and commercial institutions. Partnering members of the industries/agencies etc. are invited for guest lectures, chief guest, guest of honour, or as a jury member for various occasions in the college.
- The college has a linkage with various industries and commercial institutions wherein students are trained for internship training.

- The industries and commercial institutions communicate to the college for several job vacancies which are available for students and students with the appropriate bio-data are recommended for the job.
- Arrangements are made for campus interviews as and when the company wants to make a recruitment drive.
- Association with D-Link Academy, Mumbai has benefitted selected faculty to be trained as trainers for certification programmes.
- MOU's signed/renewed in this academic year:

Sr. No.	Name of the Industry/ Commercial Institution	Purpose
1.	Association of Chartered Certified Accountants, London.	To run/promote ACCA's Suite of Qualifications to current and prospective students.
2.	WRO-NSE Academy, Mumbai, a wholly owned subsidiary of NSE (National Stock Exchange) of India.	For conducting NCFM examination –online testing and certification program in the college (Tests knowledge and skills required to operate in financial markets.
3.	Quest Alliance, Bangalore.	Training in Career Exploration Skills and life skills as per myQuest myCareer Curriculum.
4.	Indira Gandhi National Open University-Regional Services Department.	To run IGNOU study centre for purpose to conduct courses of IGNOU.
5.	MT Educare Ltd. Mumbai.	To provide technical and academic support services for Robomate video content like lectures, Q&A, paper presentations installed in college.

7.	Goa Chamber of Commerce and Industry, I CREATE India, and Goa Commerce Association.	To conduct CMS workshops in Entrepreneurship in the college and to promote spirit of entrepreneurship among students and their catchment area.

6.3.9 Admission of Students

- Keeping in view the vision of the college “to provide quality higher education

to all, including the socially, economically and academically challenged students”, the college endeavours to provide opportunity to all students who apply for admission for various courses irrespective of the caste, creed, religion, gender, financial background, marks, disabilities etc.

- The admission is done on first come first serve basis and therefore, there is no cut-off percentage system followed in the college.
- Admissions conducted for BCA course through entrance test.
- During the admissions process, the counselling session is conducted by the principal/senior teachers to inform the parents and wards regarding:
 - The available courses/programmes
 - The appropriate courses for the ward
 - Rules and regulations of the college
 - Facilities available, academic schedule and examination pattern etc.
 - Development of additional skills for the ward through various career oriented/certificate courses available.
 - Provision of fees paid in instalments and also scholarships.
- After the admissions, the data entry of the admission forms, collation, generation of Roll Nos., creation of Identity Cards etc., are computerised.

6.4 Welfare schemes for:

Teaching:

- Leave Travel Concession facility as per the rules of Indian Government.
- Medical reimbursements as per the rules of Indian Government.
- Leave Facility (Earned Leave, Casual Leave, Child Care Leave, FIP etc.)
- Provisions of Loans on Provident Fund as per government rules
- Assistance to avail loans for banks
- Free health check-up's on time to time basis
- Annual Gathering of staff members from Pilar Educational Complex for Christmas
- Annual staff picnic
- Staff Fellowships Meal per semester
- Wi-Fi Campus-Free Internet Access
- Participation of the staff in various outdoor sports with faculty from other institutions

Non-teaching:

- Leave Travel Concession facility as per the rules of Indian Government
- Medical reimbursements as per the rules of Indian Government
- Leave Facility (Earned Leave, Casual Leave, Child Care Leave etc.)
- Internal festival advance
- Children education allowance
- Provisions of Loans on Provident Fund as per government rules
- Assistance to avail loans from banks
- Free health check-up's on time to time basis
- Annual Gathering of staff members from Pilar Educational Complex for Christmas
- Annual staff picnic
- Staff Fellowships Meal per semester
- Wi-Fi Campus-Free Internet Access
- Participation of the staff in various faculty wise sport

Students:

- Provision of Scholarship (Government, Non-Government), Student financial aid
- Payment of fees through instalments/accepting only a part of the fees in case of financial difficult faced by the student.
- Remedial classes
- Training for competitive exams
- Water cooler facility available for drinking purpose
- Common-room for female students with incinerator.
- Counselling services
- Medical assistance through doctors around the vicinity of the college
- Free of cost internet access
- Availability of First Aid Box
- Facility of Earn While You Learn
- Internship programmes
- Availability of book bank facility for students
- Additional library cards provided for scholar students, SC/ST and OBC students
- Appreciation awards for students in academics, sports and extra-circular activities
- Collaborations from neighbouring banks to open new Saving Bank Accounts with zero balance

☐**6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?**

Since the college is affiliated to the Goa University, the reforms introduced by the Goa University are initiated in the college. The Examination Reforms are introduced by the Goa University are:

- Semester Pattern with Internal (ISA) and External (SEE) Evaluation
- Additional marks given to students for participation in NSS/NCC/Sports activities
- Grace marks given in case of a shortfall for passing a paper/division.
- Provision of repeat/supplementary exams for back log students
- Declaration of result date notified in the leading newspapers.
- Results declared on Goa University website and newspapers.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

Not Applicable

6.11 Activities and support from the Alumni Association

- The college conducts an annual meet of the ex-students and it is celebrated with a get together function.
- The members of the alumni participate in various functions of the college and come as jury for the events, guest lectures, and as chief guest for functions.
- The Alumni sponsors/contributes to the financial aid of students.
- The ex-students have also contributed for endowment prizes.
- The ex-students sponsor prizes and trophies for felicitating meritorious students.
- On various occasions, the ex-students share their experience with the students.
- The alumni association supplements or provides donations for various events/programme.
- The members of the association and other ex-students take initiative to provide information of job opportunities available for the current students.

6.12 Activities and support from the Parent – Teacher Association

- Parent Teacher meeting is held per semester. In the meeting, various matters pertaining to the college such as attendance, academics, facilities etc. are discussed.
- Issues/Suggestions have been verbally communicated by the parents and are considered by the association and scrutinized by the higher authorities and accordingly initiated.
- SMS facility also helps the parents in close contact with the college informing of the various activities taking place in the college.
- The parents also participate in many events organised by the college such as Annual Day etc.

6.13 Development programmes for support staff

- Computer training given to few support staff.
- Training given to certain support staff to handle equipment such as Xerox, cyclostyle, sound system, generator etc. by senior staff.
- Annual staff fellowship programmes held at each semester of the academic year and staff members are felicitated for their achievements.
- Annual Staff picnic conducted every year.
- Faculty development programme conducted for staff.

6.14 Initiatives taken by the institution to make the campus eco-friendly

- Use of CFL bulbs for energy conservation.
- The college has instituted 'Best Civic Sense class Award' every semester that is based on the criteria of switching off all lights, fans and keeping the classroom clean.
- Segregation of dry and wet waste
- Dustbins placed at various places including classrooms, staffrooms, office, laboratories etc.
- Paper recycling is done in the form of paper shredding which is then given to paper scrap dealers. The paper collection is assisted with the help of the NSS unit.
- E-waste given to dealers who deal with collection and recycling of e-waste materials.
- Planting of plants and sapling of various trees around the college and proper maintenance of the same.
- Availability of water cooler facility for drinking purpose for students and staff to avoid the usage plastic bottled water.
- Vermi-composting unit for treating bio-degradable waste
- Collection of plastic bottles, milk packet from various localities by the NSS unit of the college and sent for recycling.
- Encourage minimum use of plastic, plastic cups replaced with porcelain cups, plastic files replaced by thick paper files etc.
- Campus cleaning organised twice in each semester by NSS unit of the college
- Awareness campaigns organised to sensitize on environment
- 2nd October cleaning drive campaign organised. Rooms, lobbies, laboratories, campus cleaning are carried out by the staff and students on this day.
- Minimum use of AC (only in computer laboratories) helps in reducing the carbon emissions.
- Switching of electric gadgets when not in use toward energy conservation.

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

Promoting Skill Enhancement:

Following Skill Enhancement programs held in the Academic Year.

- The Department of Information Technology organized on job training programme for SYBA Desktop Publishing students at the New Age Printers Printing Press at Verna, on 30th September 2016. The students got an insight into pre-press jobs, four colour printing, post printing activities such as perfect binding, lamination and automatic folding machines, etc and also skills like signature making and plate making.
- The Department of Information Technology organized an orientation programme on Spoken Tutorial for First Year students in August 2016 along with self-learning course videos on Libre Office Calc to enable students to use technology to stay ahead in class and up their grades.
- Commerce Department of the college organized a two week foundation course in Tally Accounts Package for students in May 2016 to provide work skills to improve employability.
- The College Library conducted a short term course in Library & Information Science, titled Library Credit Programme. The programme consisted of learning by doing, by actually working in the library and learning library basics for minimum 25 hours. 32 students successfully completed the course.
- The College Library conducted a Training programme for students from 16-20th August, 2016 in searching e-resources. The programme builds skills in mining data for research projects, assignments and basic course material.
- With an aim to build up students' stage confidence and presence; while also honing the skills of quick thinking and spontaneity in communication, the Dept of English conducted unique J.A.M. (Just a Minute) training sessions for a week, followed by actual performance on July 15th, 2016 at the college. 40 students from across classes participated.
- A Three Month Foundation Course in Office Automation for students from across classes was conducted from January 2017 to March 2017. Twenty students successfully completed the course.
- A Three Month Foundation Course in Computer Hardware for students open for all classes was conducted from July 2016 to September 2016. Six students successfully completed the course.
- 30 hours Banking Exam Coaching conducted at the college in January- February 2017,

22 students have taken benefit of the program. The resource person for the program was Mr. Deepak Garg.

- Five students from FY Bcom sponsored for one day Shaping Young Minds Programme-2017 held on 19th January, 2017 at Cardium Hall, NIO, Dona Paula, Panaji, Goa organised by All India Management Association and Goa Management Association to skill them to become achievers.
- To commemorate Management Day on 20/02/17, well known Corporate Trainer Pravin Sabnis, organized a skill development programme on management strategies and practices for commerce students.
- Mr. Basil D'Cunha, an accomplished soft skill trainer, of Lights of the World Organisation conducted a Soft Skill and On the Job training programme for TY BCom students from November 2- 5, 2016 to build soft skills, attitude and employability prospects. Thirteen students participated.
- The Centre of Human Excellence enabled enrollment of its student members for The Navhind Times job skills workshop on Body Language, conducted by certified Behaviour Analyst Kanan Tandi on August 28, 2016.
- An interactive session was conducted on July 07, 2016 by Dr. Isabel Santa Rita Vas well known director, on stage presence; and an interactive session on film making was also conducted by Mr. Atmaram Sawant (Film Editor) and Mr. Joywin Fernandes.
- Twice a month training sessions in choral singing as part of choral society activities conducted by Mentor, Fr. Dominc Alvares, acclaimed musician in Goa.
- To promote career in professional boxing, Lavania Kunchi, girl student, was deputed for six-week certificate course in boxing held at the national boxing academy, Rohtak, Haryana from 16th May to 24th June 2017 under the mass sports participation programme. She passed the examination in grade 'A' by obtaining 72 marks out of 100.
- A special session on Digital Storytelling was held on August 1st, 2016 by Mr. Chandrakant Kundaikar to familiarize students with the necessary software to create a digital story. Mr Kundaikar is a lawyer by profession with a passion for photography

- The NCC Naval Unit of the college conducted Dowry Awareness Oath Session for 25 SD NCC Cadets and the cadets were encouraged to spread the message of the evils of dowry to their neighbourhood while pledging not to take dowry and discourage family and friends from doing so.
- In order to promote the national language Hindi, Hindi Dept. along with Nehru Yuva Kendra Panaji, organized a Hindi solo Singing competition on 27th September on the eve of celebration of the Hindi *Pakhvada Divas*.
- College acted as the centre for 'B' Certificate Exam for four colleges of Goa, held on February 11 & 12, 2017. 84 students appeared, out of which 16 Cadets of our college appeared for the 'B' Exam. Associate. Professor. Santosh Chyari, NCC Officer was appointed as Board Member & Conductor of the 'B' Certificate Exam.
- Associate. Professor, Santosh Chyari, NCC Officer was also appointed as Board Member for 'A' Certificate Exam held on February 26, 2017. A total of 17 cadets appeared for the

exam.

- Sports Festival highlighting traditional games of Goa held on February 23, 2017 for college and Higher Secondary students across Goa. Aim to keep the interest of these traditional games alive among youngsters while also encouraging playing of outdoor games and physical activity. 6 teams participated.
- To encourage people's participation and awareness in contemporary issues, a Media panel discussion as part of INFLUENCE 2016- July 07, 2016, on the topic "What do we communicate in media today?" was organised involving prominent media personnel including, the Editor of Gomantak Times Mr. Shashwat Gupta Ray, Mr. Rockey Lazares, Mr. Gerard De Souza Sub-Editor of The Goan, Mr. Rohit Vadkar from Prudent Media, Dr. Freedy Fernandes from Prime TV. The Moderator for the event was Mr. Jovito Lopes. Students, staff and civil society participants gained valuable insights into issues facing media.
- As part of neighbourhood outreach, Faculty and Students of the college conducted a survey on performance of various village panchayats and as part of Ground Zero – September 09, 2016, a presentation chaired by Dr. Gervasio Mendes, was made on "Performance Case Studies of Village Political Governance in 14th St. Andre Constituency," in the presence of political representatives. Following the presentations, there were group discussions on public administration, national resources and public amenities which were facilitated by the dignitaries present. The outcome of the group discussion was resolutions that were formulated by the students on issues of public administration, sanitation, garbage disposal, etc.
- The crew including the Director Dinesh Bhonsle of the film 'Enemy' (based on The Enemy Property Act of 1956, which affects Goans born in Karachi, Pakistan), were given a platform for an interactive session with the staff and students on 8th December 2016. The session helped in creating awareness among participants on this issue affecting many relatives of persons from Goa.
- As part of the one day UGC sponsored National Seminar on 2nd August 2016, two panel discussions on Rights of Women and on Rights of Children was organized involving a panel of experts from statutory bodies, academia and NGO's. 120 participants consisting of lecturers, students and civil society members from across the state were sensitized on these important issues especially the violation of rights and the difficulty in getting recourse at times for these vulnerable sections.
- The college along with Kripa Foudation, Anjuna, Bardez- Goa, an NGO, organized an interactive session on 4th of August 2016 in the college hall on the topic "The Evils of alcohol consumption and drugs". The resource person invited was Mr. Paul Noronha and his group, 130 students participated for the same.
- Value Education Cell and the NSS unit of the college organized a Workshop on Ethical Voting to mark national voter's day on 25th January, 2017. Mr. Asif Sheikh, Social Activist and Entrepreneur, was the resource person.
- On World Integrity Day, 10th February 2017, Value Education Cell conducted a session on Value of Maintaining Integrity and administered the Oath of Integrity in respective classes.

Adaption of new methods for teaching-learning process:

Various provisions to enhance the teaching learning process:

- Equipping the teachers with (laptops, internet connectivity, interactive boards) and creating necessary infrastructure such as multimedia classrooms, e-resources etc.
- The use of web resources for supplementing classroom study, assignments, evaluation etc.
- Programs for advanced and slow learners.

Appreciation day:

Appreciation awards for students who bring laurels to the institution in the area of academics, sports and extra-circular activities.

Prayer Service:

Daily Prayer service for students has been introduced through public address system. 5 minutes during the first lecture is set aside for prayer which is conducted by the students along with mentor teacher. In addition, weekly two days are set aside for staff prayer for which a staff member is assigned to organise and conduct the prayer. It has been a tradition in the college to start any event with a prayer service. The college emphasizes on promoting communal harmony and a healthy and conducive environment. Inter-faith dialogue and events are encouraged.

Earn while you learn:

The college provides employment to deserving needy students. The students work after their lectures in library and IGNOU study centre Pilar. Some are working in International Centre, Dona Paula.

Keeping students abreast with the current news:

The local newspaper The Goan, is provided in each classroom and the teachers discuss the reports in their respective subjects and it related areas. In addition, the library subscribes to 12 local newspapers and national newspapers.

Peer Teaching:

Peer teaching is conducted through fast learners, where one student explains the given topic to the other students. This helps in building teaching skills for the student and the ease in learning for the other students.

Monthly Bulletin:

Since 2007, the college publishes a monthly bulletin called “Happenings”. It reflects and reports on the various activities, events, students and staff achievements, student and staff participations, write-ups on certain issues, experiences etc. It is circulated among the staff, students and other stakeholders through email.

Library Bulletin:

The library bulletin “Full Circle” publishes the various activities and events which are conducted by the Department of Library and Information Science.

Faculty development programmes:

The IQAC conducts faculty development programmes for teaching and non teaching staff.

Mentoring:

Each first year class is assigned two faculty members who act as class mentors and remain with the same set of students as they progress to graduation.

Inculcating saving habits:

The neighbouring banks encourage the students to open savings account in the bank with zero balance. The importance of savings, banking practices, and the need for students to take charge of their finances from a young age itself is conveyed to students during interactions.

Building Leadership Skills:

In addition to imparting skills in leadership and management, several events are left to the initiative of the students for organization thereby building important life and work skills by doing.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year.

Plan of Action	Action Taken
Coordinating presentations of the Institution/Departments/Committees/Cells along with documentation and other arrangements for NAAC Peer Team visit and hosting the Peer Team during the visit; smooth conduct of work of the team; and ensuring documentation in line with SSR in August 2016.	NAAC Peer Team visit hosted smoothly and ensured documentation in line with SSR. The institution was upgraded by NAAC from B++ to ‘A’ Grade in the Second Cycle.

• Conducting skill enhancement programs	• 03 Foundation Courses, 18 New Skill Enhancement, and 11 Career Advancement, courses/programs/events added/held during the Academic year.
• Conducting Field Trips for classes.	• 12 Field Trips conducted for various classes.
• Organizing guest lectures on different topics.	• Nine Guest Lectures organised on different topics for various classes.
• Quality Circle, Think Tank and Task Force to be formed.	• Quality Circle, Think Tank and Task Force formed. Quality Circle tasked with working on 'Improving Curriculum Delivery and Transmission' including revising lesson plan and execution format, and various feedback formats. Think Tank as part of the IQAC, to come up with quality improvement suggestions and strategies. Task Force to work towards tie up with Universities and other relevant institutions; and to sign MOU's and undertake formalities as required.
• Reworking of all college committees pertaining to academics, co-curricular and extra- curricular activities to ensure all quality parameters are covered and in order to enhance operational performance of plan of action.	• Recommendations given to Principal/Management with each group of committees to be headed by NAAC Criteria Heads. To be introduced from next Academic year.
• Introducing new Annual Reporting Formats for Departments and Cells/ Committees	• Introduced from this Academic year. Reports to be maintained annually along with documentation at Departments/ Cells/ Committees for next cycle of NAAC accreditation and in AQARs.
• Introducing new Prospectus Booklet.	• Prospectus Booklet reworked with comprehensive information, new CBCS details with aim to make it informative and user friendly.
• Conducting Orientation; for new students; for new foreign students; and for new staff.	• Orientation for new students held on 30th June, 2016.

	• Orientation for new foreign students held on 10th August, 2016. • Orientation for new staff conducted on 11th July, 2016.
• Conducting Pre-Course tests class wise- subject wise at the beginning of the Academic year through individual teachers, for pre-evaluation of subject knowledge of new batches.	• Pre-Course tests class wise- subject wise conducted by teachers in the beginning classes of the academic year.
• Conducting Training program for students for Banking exams.	• Conducted 30 hours Banking Exam Coaching for students at the college in January- February 2017, about 22 students benefited from the program. The resource person for the program was Mr. Deepak Garg.
• Extending/upgrading provision of LCD projectors and screens in more classrooms.	• Extended/ Replaced LCD projectors and screens for ICT delivery of Course Content to 7 classrooms.
• Setting up Separate Room to facilitate Research among teachers and students.	• Separate Reading Room created in Library equipped with Journals, Dissertations, Wi-Fi, etc to facilitate Research among teachers and students. Students/teachers allowed bringing laptops for use.
• Conducting faculty development programmes for administrative staff and teaching faculty.	• Conducted 14 faculty development programmes for administrative staff and teaching faculty during academic year.
• Provision of a more secured environment for staff and students.	• Coordination and management of security agency, CCTV and surveillance device. • Ensuring wearing of identity cards by staff and students and visitors entry at gate.
• Conducting Professional Assessment of B.C.A Department to recommend improvements.	• Conducted Professional Assessment of B.C.A Department on 9/02/2017 through external experts on curriculum, facilities, student aptitude, and faculty assessment.

• Conducting evaluation of Canteen Facility.	• Evaluation of Canteen Facility conducted based on stakeholder feedback and submitted to management. New contractor appointment planned by management.
• Extending use of digital display board and public address system for healthy practice.	• Effectively used digital display board to impart thought for the day/ Greetings/ Condolences messages etc; Prayer service for students conducted for 5 minutes during the first lecture by the students and mentor teacher through public address system.
• Upgrading environmental practices and waste management systems.	• Incinerator for girl's common room for non-biodegradable waste installed in this academic year. • Shredding Machine installed in office. • Compost bins for biodegradable waste used to ensure effective decomposition of biodegradable waste and use as manure for plants in the campus. • Segregation of waste implemented- for dry, wet and recyclable waste. • Best class in civic sense prize installed to ensure effective waste disposal and creating civic sense among students and staff. Resources generated from recyclable waste used for student welfare. • Preliminary institution level green auditing report prepared.
• Conducting neighbourhood outreach programmes in health, welfare etc.	• Seven outreach initiatives undertaken like, Financial Inclusion drive; Voter Enrolment Awareness Rally; Beach Cleaning Drive; Medical outreach and promotion of Traditional Medicines.

Holding Annual Alumni Meet.	Alumni Meet held on 15/08/16.
Attracting researchers of eminence to visit the campus and interact with teachers and students.	Dr. Suzie Wiseman, Scientist, University of Texas, U.S.A. visited college this academic year and interacted with students and teachers on Soundscaping and its application in a classroom environment- understanding meaning behind sounds.
Initiatives to streamline and promote Consultancy.	Initial steps taken to formalise consultancy especially with a revenue sharing understanding with aim to boost consultancy component. Management to formalize policy for revenue sharing and other guidelines by next academic year.

• Work towards getting ISSN number for the Research Journal 'Anchor'.	• Steps initiated to convert to online journal with ISSN number. Proposal is under consideration.
• Conducting UGC sponsored conferences/workshop/seminars.	• Conducted UGC sponsored National Seminar held on 2nd August 2016 on 'Human Rights of Women and Children in India. • Conducted UGC Sponsored National Conference on "Road Map to Enhance Sports Performance and Health in Educational Institutions," on 5th & 6th October 2016.
• Planning and coordinating organisation of special college programs/events.	• IMPETUS- national level multi-disciplinary event organised. • Intercollegiate Cross Country Race organised on 30/07/16. • All Goa Inter-collegiate 7-A-Side Football Tournament on 28.01.2017 organised. • Sports Festival promoting traditional games of Goa on 23.02.2017.

7.3 Give two Best Practices of the institution

Prayer Service:

Objective:

- To build religious tolerance.
- To respect the other religions and its belief.
- To build a healthy relationship among staff and students.

- Weekly two days are set aside for staff prayer for which a staff member is assigned to organise and conduct the prayer. The staff member has the flexibility in designing the execution of prayer service- it includes a moral value (wherein the reflection is represented with the help of stories, poems, audio pieces etc.). Prayer for staff birthday is also done followed by birthday song, wishing etc.

- Daily Prayer is also conducted for students in class for 5 minutes during the first lecture

through public address system. Staff join these prayers in classroom/staffroom/work places.

- Before exams teacher leads students in small prayer using the public address system.
- It is a hallmark of our college to begin every event with a prayer service. For the prayer services, quotations/reading is taken from different religious books, audio visual presentations which reflect a message of a theme.
- Value education and Inter-faith cell conducts various competitions, field trips, talks etc. which promotes communal harmony.

Appreciation Awards:

Objective:

- To boost the morale of students and reward hard work.
- To encourage the students to continue participating in various activities.

Every year, the college has marked a day called as “Appreciation Day”, preferably conducted on 14th February. The students are awarded for their outstanding performance and participation at various inter-collegiate, state, national and international level event in co-circular and extra circular events (Sports, NCC, NSS, Cultural Events etc.)

7.4 Contribution to environmental awareness / protection

The college takes special initiatives to create and promote environmental consciousness among the staff, students and community through the following:

- Plantation drive carried out in and around the campus
- Talks, workshop, awareness drives through street plays, screening of movies, documentaries etc.
- Nature walks, trekking, field trips to spice plantations/farms by NSS, NCC and Environment Club
- Anti-plastic campaign, Campus and Community cleaning, Paper Shredding.
- Clean up drive as part of Gandhi Jayanti activities.
- Vermi-composting unit to manage bio-degradable waste
- Celebrating the World Environment Day
- Inculcating the sense of saving energy through the *Civic Sense Award*
- A compulsory paper “Environmental Studies” in First Year for all streams have helped in sensitizing the students on various environmental issues and also its importance in protecting it.

7.5 Whether environmental audit was conducted?

Yes

No

7.6 Any other relevant information the institution wishes to add.

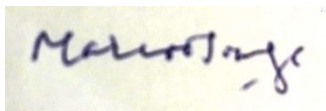

- Students have participated and also have won in various academic, sports, cultural activities at State and National level events.
- Students successfully completed various short term courses/ skill based course etc and contributed to community outreach.
- Minor renovation works for classrooms, computer laboratories etc. were carried.
- Students have taken initiatives to organise and have successfully managed programmes in the college such as Impetus, exhibitions etc.
- Good consistent results in all streams.

8. Plans of institution for next year

- To take steps for smooth roll out of CBCS program for first years and ensure proper working of semester program for second and third year.
- To organize an International Level Conference.
- To get ISSN for in-house resource journal.
- To complete work of new Canteen -Agape.
- Tendering and contracting for RUSA works.
- To install solar energy panels.
- To introduce additional certificate courses to provide additional skills to the students.
- To make stronger the Career Guidance and Placement Cell by developing more linkages with industries/organisations to hold campus recruitments and also have more training sessions for students to enhance their skills for employability.
- To continue to train and guide the students for entrance and competitive examinations.
- To strengthen the extension cell to hold more community outreach programmes.
- To encourage the faculty to pursue and complete their Ph.D.
- To encourage faculty and students to participate/present papers at International/National/State seminars/conferences.
- To encourage the faculty to use innovative teaching methods.
- To invite experts to interact with students and share their experiences.
- To apply for minor/major research project of the UGC.

- To continue with the up-gradation of the infrastructure.
- To continue conducting the credit-based, certification and certificate courses.
